Choice Board #3

Kindergarten

- Students should choose at least **one** activity from each subject area column (Math, Reading, Writing, Science/Social and Specials)
- Place a check on the activities completed and have a caregiver/parent sign the bottom of the form.

Math	Reading	Writing	Science / Social	Specials
Count how many 2-D shapes you can find in 1 minute. How many squares, triangles, rectangles, trapezoids, circles?	Find 10 objects and identify the beginning sound of each item.	Write a card for somebody. 	Grab 5 objects and describe them using your five senses. (sight, hear, taste, touch, smell)	**PE** If there is snow, build a snowman or fort. 
Make numbers 1-30 with play-doh, wikki stix, or pipe cleaners.	Read or listen to two books about winter or snow. 	Write or draw what you did today.	Look outside and identify 3 living things and 3 non-living things.	**Art** Use a stick (or something similar) and draw a picture in the snow.
Roll two dice and add them together. Write down the number that is one less and one more than your total.	Find 4 sets of objects that rhyme.	Practice writing your name. Remember to use uppercase at the beginning.	Draw and label a map of your home or apartment.	**Music** Dance to your favorite song.
Make patterns with food or toys. (Pattern examples AB, ABB, ABA, ABC, AAB)	Collect 5 items that have the same beginning sound as your first and 5 items that have the same beginning sound as your last name.	Draw a picture of a snowman and label as many things as you can. 	Use a non-standard form of measurement to measure 3 different objects. (Examples of nonstandard measurement tools: action figures, pencils, crayons, magnets, cubes etc.)	**Media** If you have a phone or camera, with your caregiver take 3 pictures and then explain which picture is your favorite.
