# Chisago Lakes Choice Board #3

5th Grade

- Students should choose at least **one** activity from each subject area column (Math, Reading, Writing, Science/Social and Specials)
- Place a check on the activities completed and have a caregiver/parent sign the bottom of the form.

| Math | Reading | Writing | Science / Social | Specials |
|---|---|---|---|---|
| Roll two dice to create a two digit number. Then roll one again, Multiply the two digit and single digit numbers. Complete 20 equations. | Read something other than a chapter book for 30 minutes. (examples: magazine, joke book, cook book, instruction manual, or poetry book) | Find a special way to write a thank you to someone who takes care of you. | Can you name all of the 50 US States? Make a list in alphabetical order. Do you know it too? | **PE**<br>If there is snow, build a snowman or fort.<br> |
| Create a song that will help you practice and remember multiples of numbers 3-10. (example: 3,6,9,12...) | Create a comic strip reenacting one of your favorite parts from a good book you have recently read. | Write a review of your favorite movie or TV show. | Talk with your family about the things that make each of you feel loved. | **Art**<br>Use a stick (or something similar) and draw a picture in the snow. |
| Plan a road trip to 3 United States cities. Figure out how many miles it will take you to travel to all of them and make it back home.<br>BONUS: Figure out how much fuel you would need and how much it would cost in fuel using whatever vehicle you want and the local price for fuel. | Read a short story or picture book. Create a quiz that someone else could take about what you read. Don't forget to make an answer key!apitals | Write a paragraph beginning with this prompt.<br><br>If I was President... | Save a seed from a fruit you eat. Store it wrapped in a damp paper towel in a plastic bag. Make predictions of when it will sprout and how fast it will grow. Keep an eye on it for the next several days and weeks. | **Music**<br>Dance to your favorite song. |
| Find the area and perimeter of your bedroom and one other room. Find the difference between the area and the perimeter of the two rooms. | Pick 6 words from your reading that you are unfamiliar with. Look up their definitions, and try using them in a new sentence. | Create a new kind of candy. Write about what it would be like and design a candy wrapper. | Design a snow fort. List any additional materials you need and draw it on a piece of paper. | **Media**<br>If you have a phone or camera, with your caregiver take 3 pictures and then explain which picture is your favorite. |
