Math	Reading	Writing	Science / Social	Specials
Find a receipt at home. Create a word problem from this information, and find the answer.	Read for 30 minutes and write a summary or discuss with someone else about what you read.	Write a short story. Include at least 3 characters.	Create a map of your bedroom.	**PE** Hold it for 20 seconds: Yoga Moves or Balance, Downward Dog, Tree Pose, Warrior Pose, Child's Pose
Find five objects at home that you think are about a foot long. Measure their exact length and see if you are correct.	Research any topic of your choice. Create a poster or slides presentation that includes at least 5 facts and 5 pictures about your topic.	Imagine that you could have one superpower (such as being able to fly, be super strong, turn invisible etc.). Write a paragraph telling which superpower you would choose and the reasons for your choice.	Cook a meal, a dish, or a treat with your family. You should be the one to measure ingredients.	**Art** Draw something that is your favorite color.
Create a board game that reviews a math skill we have learned or practiced this school year.	Read a favorite book or story (or parts of a longer story). Create an advertisement that focuses on persuading others to read it too!	Write out directions for making your favorite snack. Be sure to provide detail!	Create a poem, song, or rap about what qualities make a good friend and/or what it means to be a good friend.	**Music** Watch a movie and discuss where you heard loud and quiet, fast and slow music. 
Compare 10 local snow totals in inches. Sort them from greatest to least.	Choose a part in a book where the author uses words to create a picture in your imagination. Write the author's description and draw a picture of what you visualize.	Write a paragraph about your favorite meal. Be sure to tell what is in the meal, where you usually eat it, and draw a picture to go with it.	Build a tower out of pantry items to see how tall you can make it. How can you make it more sturdy? What items are best to use?	**Media** Take a walk around your house and look for letters and numbers.
