Regents/Midterm Week:

Regents and midterm week was successful despite the school closure on January 20. All Regents examinations were administered as scheduled. Two midterm exams - Social Studies 11 and Algebra I - were postponed and will be administered this week. I would like to extend a special thank you to our faculty, staff, and Mr. Evert for their tremendous flexibility and outstanding efforts in adjusting to ensure a smooth and successful testing period.

ELA AIS

We would like to recognize Kaitlyn Rudney for her outstanding work with the AIS program. Through her dedicated support of eight students, **100% passed the NYS ELA Regents examination**. This success highlights Ms. Rudney's commitment to student achievement and the impact of targeted academic intervention.

February Focus: Identifying and Supporting Underserved Courses or Skills:

During February, the high school will focus on identifying courses and skill areas where students may be under-served or experiencing learning gaps. Using midyear assessment data, Regents results, classroom performance, and teacher feedback, we are analyzing trends to pinpoint specific areas of need across content areas and grade levels.

Identifying Gaps in Learning & Implementing Targeted Interventions:

Once gaps are identified, targeted interventions are being implemented to directly address student needs. These supports include AIS services, small-group instruction, targeted Regents and midterm preparation, tutoring, academic labs, and differentiated classroom strategies.

Interventions are data-driven, progress-monitored, and adjusted as needed to ensure students are receiving the appropriate level of support.

Collaboration among teachers, counselors, administrators, and support staff ensures that interventions are aligned and focused on improving

★ student outcomes.

New Teacher Meetings:

- Curriculum pacing and instructional planning
- Classroom management and student engagement
- Assessment practices and grading expectations
- Special education and ENL procedures
- District policies, procedures, and compliance items
- Mentorship and peer collaboration opportunities
