IEC Leadership Club

Things students had to say...

- December's habit #3 was to put first things first
- Work hard to behave in the lunchroom for rewards (this month is a lunch with Shadow the K9 dog and SRO officers)
- Instruments are fun!! Students love being part of chorus, orchestra, and band
- The class with the best attendance (Mrs. DuMolins) received a slushie party
- Safety Patrol maintains order and helps students be safe in the bus loop

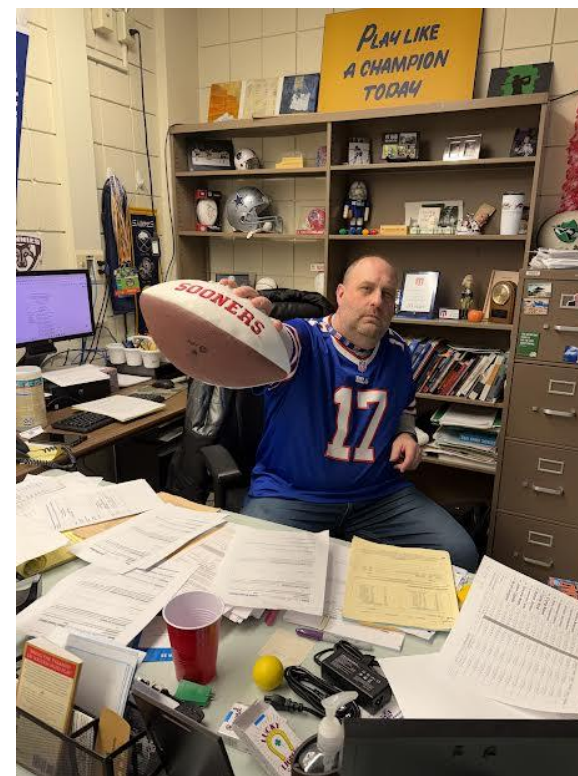

Remote Instruction

- Remote Instruction Thursday, January 15 and Tuesday, January 20
 - Good attendance K-12
- Great communication by the school district and teachers about expectations for remote learning

- 2nd marking period ended Friday, January 16 for HS and MS
- Midterm reflections/goal setting in classes
- 20 week assessments

Student Drop-Off Concerns

- Junior and Senior drivers are being affected by parent/guardian drop-off in the morning.
- Drivers dropping off students are using student parking spots or stopping in the middle of the parking lot to drop off their students instead of waiting in line.
- Causing backups and confusion in the parking lot

Possible Solutions

- Re-paint the parking lot so arrow directions and parking spots are visible
- Mr. D'Anna send out Blackboard reminder to families about drop off and pick up procedures
