STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Garden Grove IMPACT Academy is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California school is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Garden Grove IMPACT Academy's original facilities were built in 1969; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or on the Internet at www.simivalleyusd.org. During the 2024-25 and 2025-26 school years, the following campus improvement projects were completed or are planned:

- All floors were resurfaced in the Summer of 2024
- Creation of a multi-sensory de-escalation room (completed Spring 2025)
- Modernization of all classrooms (Summer 2025)

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, one of the custodians inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two day custodians and one evening custodian is assigned to Garden Grove IMPACT Academy. The day custodians are responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly and supplies are replenished throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SUPERVISION & SAFETY

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, campus supervisors are strategically assigned to designated entrance areas and the playground. During recess and lunch, campus supervisors monitor playground activity. At the end of the day when students are dismissed, campus supervisors monitor student behavior to ensure a safe and orderly departure.

Garden Grove IMPACT Academy is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the visitor management system and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Garden Grove IMPACT Academy in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's school safety plan is reviewed, updated, and discussed with school staff each year by March 1st.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Garden Grove IMPACT Academy took place on August 19, 2025. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

Garden Grove IMPACT Academy also implemented Zones of Regulation through morning meetings and daily check-ins. Teachers are able to address and support the social emotional well-being of each child.

All teachers at the Garden Grove IMPACT Academy have been trained on Highly Effective Teaching Strategies and the program has been fully implemented. Highly Effective Teaching Strategies is a program that consists of effective research-based strategies that are proven to increase student achievement.

The district office utilizes a SEL survey formatted for analysis of school climate, campus culture, bullying, parent engagement, teacher support, workplace environment, learning, careers, and student safety. This information is then used to improve student outcomes in social-emotional learning, school climate, family engagement, MTSS and more.

The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone, including students, teachers, administrators, or other adults will not be tolerated by any circumstances. Administrators will respond to all reports of alleged bullying in a timely manner.
