2024-25 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2026

PRINCIPAL'S MESSAGE

Welcome to Arroyo Elementary!

The Arroyo learning community strives to prepare our students to be leaders in their school, their community and their world. We believe that children are born with an innate curiosity to understand their world and we hope that their learning experiences here at Arroyo will encourage and stimulate that curiosity.

This year, we are especially proud to introduce our new Dual Language Program at the Arroyo Dual Language Academy in grades TK and Kindergarten. This program is designed to empower our students with bilingual and biliterate skills, giving them the tools they need to excel in a globalized world. By immersing our students in both English and Spanish, we aim to cultivate not just language proficiency but also cultural understanding and respect. This program is a significant addition to our curriculum, and we are excited to see our students thrive in this enriching environment.

In addition to our new Dual Language Program, we continue to offer our outstanding FLAGS Academy for grades 1 - 5. The FLAGS (Foreign Language Academic and Global Studies) program has been a cornerstone of our school, providing students with rudimentary language learning experiences that prepare them to be confident, global citizens. Our commitment to fostering linguistic and cultural diversity remains as strong as ever, and we are dedicated to ensuring that every student in the FLAGS Academy receives the highest quality education.

Technology is an integral part of any 21st Century educational program. All Arroyo students have access to classroom computers, educational software programs, curricular online supplementary programs and technology presentation formats. We are constantly in the process of updating our technology resources.

We cannot succeed without working together with the parents on common goals. Our Handbook describes behavioral and academic expectations for all students. We have a PTA that works closely with staff to provide an enriched program. Parents are invited to participate and play an active role in PTA.

Arroyo is a fun, involved center for learning.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing

computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Arroyo Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California school is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Arroyo Elementary's original facilities were built in 1962; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. During the 2024-25 school year, planned improvements include roofing projects throughout the campus.

The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or on the Internet at www.simivalleyusd.org.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one part-time evening custodian are assigned to Arroyo Elementary. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SUPERVISION & SAFETY

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, campus supervisors are strategically assigned to designated entrance areas and the playground. During recess and lunch, campus supervisors monitor playground activity. At the end of the day when students are dismissed, campus supervisors and teachers monitor student behavior to ensure a safe and orderly departure.

Arroyo Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor visitor management system and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Arroyo Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's school safety plan is reviewed, updated, and discussed with school staff each year by March 1st.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Arroyo Elementary School took place on August 22, 2025. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Arroyo Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Arroyo Elementary School has implemented a daily positive behavior program schoolwide. Zones of Regulation and Morning Meeting provide a positive behavior support program focused on improving classroom behavior, establishing clear behavior expectations, reducing misbehavior, motivating students to put forth their best effort, increasing academic engagement, and teaching students to behave respectfully and to value diversity. Arroyo Elementary School has a school-based counselor available to assist students who are exhibiting educational or behavioral issues.

The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone, including students, teachers, administrators, or other adults will not be tolerated by any circumstances. Administrators will respond to all reports of alleged bullying in a timely manner.

Arroyo Elementary supports ongoing professional growth throughout the year during Professional Learning Communities (PLC) time. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions such as 1) a supplement

to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Simi Valley Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year and generally focus on curriculum, teaching strategies and methodologies. During the 2025-26 school year supplemental training topics focus on the following:

- Universal Design for Learning (UDL)
- Differentiated Instruction
- English Learner Supports
- Equity-Focused Practices to Support all Learners
