PRINCIPAL'S MESSAGE

Crestview strives to provide all students with a positive and challenging learning environment that empowers them to become responsible, productive citizens. Crestview's success is built on the partnership between students, parents, staff and the community all working together to develop the social, emotional, academic and physical well-being of all children. We emphasize that learning is not confined to four walls of a classroom and that it does not end with the school year. We acknowledge that we learn best in an environment of sharing, caring, laughing, questioning, learning, and growing. Crestview Elementary School, inspiring a passion for learning!

Crestview Elementary School is the proud home of the CATS Academy (Creative Arts, Technology and Science) and CLAW program (Creative Learning and Wonder). CATS offers students an immersive, enrichment-filled educational experience built around the fine arts and sciences. Our students are exposed to the wonders of art and science, while still exploring the rigorous academic curriculum needed to grow. CATS Academy is a Connected Learning Program linked with Hillside Middle School and Santa Susana High School. CLAW is an enrichment program offered during the day for those students who have reached master of skills, and this program is unique to Crestview Elementary School.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Crestview Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California school is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Crestview Elementary's original facilities were built in 1965; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or on the Internet at www.simivalleyusd.org.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following campus improvements have been made:

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one part-time evening custodian are assigned to Crestview Elementary. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SUPERVISION & SAFETY

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, campus supervisors are strategically assigned to designated entrance areas and the playground. Breakfast is served in the cafeteria and is monitored by a campus supervisor. During recess and lunch, campus supervisors monitor playground activity. At the end of the day when students are dismissed, administrators, teachers and staff monitor student behavior to ensure a safe and orderly departure.

Crestview Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the visitor management system and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Crestview Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's school safety plan is reviewed, updated, and discussed with school staff each year by March 1st.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Crestview Elementary School took place on August 26, 2025. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Crestview Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules, the district behavior matrix and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone, including students, teachers, administrators, or other adults will not be tolerated by any circumstances. Administrators will respond to all reports of alleged bullying in a timely manner.

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All training and curriculum development activities at Crestview Elementary revolve around the California State Standards. During the 2023-24, 2024-25, and 2025-26 school years, Crestview Elementary School's teachers attended the following events hosted by the Simi Valley Unified School District:

Number of School Days Dedicated to Staff Development and Continuous Improvement	
2023-24	3 days
Professional Learning Communities	
Response to Intervention	
Science of Reading	
Math Instruction	
Multi-Tiered Systems of Support	
2024-25	3 days

Instructional Practices	
Professional Learning Community	
2025-26	5 days
Professional Learning Communities (PLCs)	
Multi-Tiered Systems of Support (MTSS)	
Inclusive and Culturally Responsive Instructional Practices	
Data Analysis	

During the 2024-25 school year, Crestview Elementary held staff development devoted to:

- California State Standards
- CAASPP Data
- CATS Academy
- CLAW (Creative Learning and Wonder) Enrichment Program
- English Language Development (ELD)
- Intervention for ELD Students
- Professional Learning Communities (PLCs)
- Response to Intervention (RtI)
- Technology Training
- Universal Access

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Crestview Elementary supports ongoing professional growth during Professional Learning Communities (PLC) time. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions such as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Simi Valley Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year and generally focus on curriculum, teaching strategies and methodologies. During the

2025-26 school year supplemental training topics focus on the following:

- Universal Design for Learning (UDL)
- Differentiated Instruction
- English Learner Supports
- Equity-Focused Practices to Support all Learners

Crestview Elementary offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Simi Valley Unified School District are being aligned to the California State Standards. Instructional materials for core content areas are approved by the district's Board of Education. The district follows the State Board of Education's adoption cycle for core content materials and for textbook adoptions in foreign language, visual and performing arts, and health.

On September 9, 2025, the Simi Valley Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 18-25/26 which certifies as required by Education Code §60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive. In addition, each student enrolled in a performing arts class was provided sufficient textbooks or instructional materials to use in class or to take home.

PROFESSIONAL STAFF

COUNSELORS & SUPPORT PERSONNEL

Crestview Elementary provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Crestview Elementary's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.
