SCHOOL NEWS

Madera Elementary School utilizes multiple modes of communication to keep parents and guardians informed about upcoming events and school activities. Every Wednesday, the school sends out the weekly "Madera Mustang Messenger" newsletter via the Finalsite Blackboard system. This S'more newsletter is available for translation in many languages. In addition to the weekly newsletter, the school communicates through email, flyers, parent conferences, progress reports, the school website, Facebook posts, text messages, and phone calls sent through the automated Blackboard Delivery System. The Madera PTA also has a Facebook page and is an integral part of the school's communication efforts.

For more information on how to get involved and connected in your child's learning environment, please contact Dillon Wederman, the PTA President, at presidentmaderapta@gmail.com.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Madera Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California school is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The Simi Valley Unified School District takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Madera Elementary's original facilities were built in 1966; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff work diligently to ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or at www.simivalleyusd.org.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In addition, monthly site and playground inspection reports are conducted by the site principal and custodian. This report is turned in to the Risk Management Department monthly. Open work orders are reviewed and progress reported.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Madera Elementary. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Restroom cleaning
- Office area cleaning
- Multi-Use room cleaning
- Site/Playground inspection reports
- Delivery of goods/supplies to classrooms
- Cleaning of multi-use classrooms/areas
- Fire extinguisher monthly inspections
- School safety and security checks
- Creating work orders for areas of repair

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Restroom cleaning
- Securing gates and campus
- Creating work orders for areas of repair
- Night time event cleaning and assistance set-ups/tear down

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

In addition, monthly site and playground inspection reports are conducted by the site principal and custodian. This report is turned in to the Risk Management Department monthly. Open work orders are reviewed and progress reported.

SUPERVISION & SAFETY

Madera's Administration and faculty place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, campus supervisors are strategically assigned to designated entrance areas, the cafeteria, and the playground. During recess and lunch, campus supervisors monitor playground and cafeteria activity. At dismissal, campus supervisors and the administrator monitor the parking lot and exit gates. Teachers monitor student behavior to ensure a safe and orderly departure.

Madera Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor Visitor Management System and wear an identification sticker while on campus. They must check out through the school office upon completion of their visit.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Madera Elementary School took place on September 3, 2025. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2025-26 all restrooms were fully functional and available for student use at the time of the inspection.

The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone will not be tolerated under any circumstances. Administrators will respond to all reports of alleged bullying in a timely manner.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Madera Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's school safety plan is reviewed, updated, and discussed with school staff each year by March 1st.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Madera Elementary School's discipline practices and behavior management strategies are designed to create effective learning environments and minimize classroom disruptions. The school's approach complies with approved board policies and utilizes progressive discipline and proactive measures in the classroom for students experiencing difficulty following school rules or demonstrating positive behavior.

Disciplinary intervention is managed by school administrators and faculty in a fair, firm, and consistent manner based upon the nature of each situation. Madera Elementary School utilizes Positive Behavior Intervention Support (PBIS) and Restorative Justice Approaches as the foundation of a positive discipline approach. The Medal of Honor and Zones of Regulation Curriculum assist students in learning how to "Be Safe, Be Respectful, and Be Responsible". The curriculum includes bully prevention strategies through the use of classroom activities, presentations, hands-on activities, and direct instruction. Additionally, teachers have been trained in effective research-based de-escalation techniques proven to enhance student engagement.

Decisions concerning selection of staff development activities are made by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher or staff training may enhance classroom instruction and increase student achievement levels. Madera Elementary supports ongoing professional growth during Professional Learning Communities (PLC) time. Teachers meet in grade level or vertical teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Simi Valley Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year and generally focus on curriculum, teaching strategies and methodologies. During the 2025-26 school year supplemental training topics focus on the following:

- Universal Design for Learning (UDL)
- Differentiated Instruction
- English Learner Supports
- Equity-Focused Practices to Support all Learners

Madera Elementary offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

INSTRUCTIONAL MATERIALS
