2024-25 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2026

PRINCIPAL'S MESSAGE

Santa Susana Elementary School is a learning community composed of students, staff, and parents working in partnership toward the social and academic growth of all students. Our program is rigorous with the supports necessary for all students to achieve at high levels.

Santa Susana is able to support all learners whether they need intervention or enrichment across core curricular areas. Our English Learner Students are able to access curriculum with the support of highly qualified teachers and paraeducator support. Special Education students are supported in our Learning Center or Success Academy classes and mainstreamed with general education peers as much as appropriate.

Our dedicated staff works to meet the differing needs of all students, while simultaneously maintaining high expectations for academic excellence. Our curriculum is organized around the California State Standards. All instructional materials are adopted by the Simi Valley Unified School District in congruence with those standards. Student progress is assessed on a regular basis, allowing us to tailor the instructional program to better assist the student in achieving those standards. Student progress towards grade level standards is regularly reported to parents through Aeries or class work sent home. All families are welcomed at Santa Susana.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Santa Susana Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California school is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Santa Susana Elementary's original facilities were built in 1959; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or on the Internet at www.simivalleyusd.org.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

2024-25 Campus Improvements:

- Laptop carts for upper elementary classrooms
- Blacktop paving and painting

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one part-time evening custodian are assigned to Santa Susana Elementary. The day custodian is responsible for:

- Classroom cleaning
- Office cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- General grounds maintenance
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SUPERVISION & SAFETY

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal and staff are strategically assigned to designated entrance areas and the playground. During recess and lunch, the principal and support staff monitor playground activity. At the end of the day when students are dismissed, the principal, campus supervisors, and support staff monitor student behavior to ensure a safe and orderly departure.

Santa Susana Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the visitor management system and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Santa Susana Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's school safety plan is reviewed, updated, and discussed with school staff each year by March 1st.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Santa Susana Elementary School took place on September 11, 2025. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Santa Susana Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a consistent manner based upon the nature of each situation.

All teachers at the Santa Susana Elementary School use various strategies to support the social emotional health of all students. Referrals are made to the school psychologist and the school counselor if further interventions are needed.

The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone, including students, teachers, administrators, or other adults will not be tolerated by any circumstances. Administrators will respond to all reports of alleged bullying in a timely manner.

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All training and curriculum development activities at Santa Susana Elementary revolve around the California State Standards. During the 2023-24, 2024-25, and 2025-26 school years, Santa Susana Elementary School's teachers attended the following events hosted by the Simi Valley Unified School District:

Number of School Days Dedicated to Staff Development and Continuous Improvement	
2023-24	3 days
Professional Learning Communities	
Response to Intervention	
Science of Reading	
Math Instruction	
Multi-Tiered Systems of Support	
2024-25	3 days
Positive Behavior Support	
Instructional Practices	
Professional Learning Community	
2025-26	5 days
Professional Learning Communities (PLCs)	
Multi-Tiered Systems of Support (MTSS)	
Inclusive and Culturally Responsive Instructional Practices	
Data Analysis	

During the 2024-25 school year, Santa Susana Elementary held staff development devoted to:

- The PLC Process
- Development of Instructional Units and Common Formative Assessments
- Social Emotional Learning
- Written Communication and Vocabulary Development
- Responsive Classroom
- Tiered Instruction

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Santa Susana Elementary supports ongoing professional growth throughout the year during Professional Learning Communities (PLC) time. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Simi Valley Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year and generally focus on curriculum, teaching strategies and methodologies. During the 2025-26 school year supplemental training topics focus on the following:

- Universal Design for Learning (UDL)
- Differentiated Instruction
- English Learner Supports
- Equity-Focused Practices to Support all Learners

Santa Susana Elementary offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Simi Valley Unified School District are being aligned to the California State Standards. Instructional materials for core content areas are approved by the district's Board of Education.
