PRINCIPAL'S MESSAGE

Valley View Middle School, home of the Vikings, is dedicated to preparing students with the knowledge, skills, and character necessary for success in high school and beyond. We provide a safe, supportive, and inclusive learning environment that encourages students to reach their full potential academically, socially, and emotionally.

Guided by our school motto—"Strive for Excellence and Do the Right Thing"—students are encouraged to take Viking PRIDE in their education: Positivity, Respect, Improvement, and Diligence, leading to Excellence. Our Viking Values—Be Respectful, Be Safe, and Be Responsible—reinforce our commitment to positive character development and a supportive campus culture.

Valley View offers a wide range of academic and enrichment programs, including our Career Exploration Portfolio Process (Career Day), 8th Grade Portfolio Day, Accelerated Reader, instrumental and vocal music programs, a state-of-the-art physical fitness lab, Viking PRIDE awards, Renaissance academic incentive programs, and numerous clubs and student activities. Our MST program works alongside science pathways that include courses in cooking, anatomy, biotechnology, engineering, human development, and CSI-style investigative science.

In 2023–24, we implemented a new bell schedule with Flex Time on Wednesdays and Thursdays to provide students with targeted support and enrichment opportunities. Our educators collaborate to deliver purposeful, standards-aligned instruction and foster strong relationships across campus so students feel supported and connected.

We value partnerships with families and the community, recognizing that engagement enhances student growth. Through multiple communication platforms and the support of our dedicated PTSA, we keep families informed and involved in school initiatives.

At Valley View Middle School in the Simi Valley Unified School District, the pathways to success are numerous, and we are committed to helping every student achieve their full potential while living our values and striving for excellence.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Valley View Middle School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test (PFT) for students in California school is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Valley View Middle's original facilities were built in 1965; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or on the Internet at www.simivalleyusd.org.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

2024-25 Completed Campus Improvements:

- Installation of a message board in all classrooms
- New radio system

Every morning before school begins, the plant manager inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. A plant manager, two day custodians and three evening custodians are assigned to Valley View Middle. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SUPERVISION & SAFETY

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, campus supervisors and administrators are strategically assigned to designated entrance areas and quad areas. Throughout the school day and at lunch, campus supervisors and administrators monitor campus activity. At the end of the day when students are dismissed, campus supervisors and administrators monitor student behavior to ensure a safe and orderly departure.

Valley View Middle School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the visitor management system and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Valley View Middle in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's school safety plan is reviewed, updated, and discussed with school staff each year by March 1st.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Valley View Middle School took place on September 25, 2025. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Valley View Middle School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Valley View Middle School has dedicated a class to Restorative Justice practices, educating students about the process, school policies, and expectations for resolving conflicts. The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone, including students, teachers, administrators, or other adults will not be tolerated by any circumstances. Administrators will respond to all reports of alleged bullying in a timely manner.

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Valley View Middle supports ongoing professional growth throughout the year during Professional Learning Communities (PLC) time. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Simi Valley Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year and generally focus on curriculum, teaching strategies and methodologies.
