SCHOOL ACCOUNTABILITY REPORT CARD

2024-25 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2026

PRINCIPAL'S MESSAGE

Township Elementary School is committed to improving student achievement. Our goal at Township is to create an environment where the children are intellectually challenged in ways appropriate to their individual strengths, needs, and experiences. We strive to develop thriving individuals, responsible citizens, and lifelong learners who will be active participants in their local and global communities.

We believe that every student is unique, and support all children in reaching their highest potential. This is accomplished through our strong partnership with parents in the educational process. All community members contribute to the future development of our children. Township provides a positive climate for learning in which all students feel safe, respected, and valued. Children learn best and develop good character in an environment of sharing, caring, laughing, questioning, risking, learning, investigating, and growing. Our students will continue to be successful because we have a dedicated, nurturing staff, caring and knowledgeable support staff, and involved, supportive parents.

Our Medal of Honor Character Development Program recognizes students who consistently demonstrate strong character traits such as courage, commitment, sacrifice, patriotism, citizenship, and integrity. By honoring these qualities, the program reinforces positive behavior, encourages students to make good choices, and helps them develop skills that support both academic and personal success. Celebrating character strengthens our school culture, builds a sense of community and pride, and creates a safe, supportive environment where all students can learn and thrive.

Students have the opportunity to participate in K-Kids which develops self-esteem, leadership skills, morals and standards, and respect for others. This program involves elementary students, their parents, teachers, and Kiwanis members in developing a character education opportunity as well as exposure to the concepts of community service and service learning.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Township Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California school is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Township Elementary's original facilities were built in 1964; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or on the Internet at www.simivalleyusd.org.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Township Elementary. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SUPERVISION & SAFETY

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal and campus supervisors are strategically assigned to designated entrance areas and the playground. During recess and lunch, the principal and campus supervisors monitor playground activity. At the end of the day when students are dismissed, the principal and campus supervisors monitor student behavior to ensure a safe and orderly departure.

Township Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor visitor management system and wear an identification sticker while on school grounds. They must then check out at the school office upon exit from the school site.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Township Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's school safety plan is reviewed, updated, and discussed with school staff each year by March 1st.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Township Elementary School took place on September 24, 2025. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Township Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules. Morning meetings are conducted to support students well-being.

The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone, including students, teachers, administrators, or other adults will not be tolerated by any circumstances. Administrators will respond to all reports of alleged bullying immediately.

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All training and curriculum development activities at Township Elementary revolve around the California State Standards. During the 2023-24, 2024-25, and 2025-26 school years, Township Elementary School's teachers attended the following events hosted by the Simi Valley Unified School District:

Number of School Days Dedicated to Staff Development and Continuous Improvement	
2023-24	3 days
Professional Learning Communities	
Response to Intervention	
Science of Reading	
Math Instruction	
Multi-Tiered Systems of Support	
2024-25	3 days
Positive Behavior Support	
Instructional Practices	
Professional Learning Community	
2025-26	5 days
Professional Learning Communities (PLCs)	
Multi-Tiered Systems of Support (MTSS)	
Inclusive and Culturally Responsive Instructional Practices	
Data Analysis	

During the 2024-25 school year, Township Elementary held site-based staff development devoted to:

- California Essential State Standards
- CAASPP Training
- English Language Arts Curriculum
- Mandated Reporter Training
- Positive Behavior Interventions & Strategies
- Professional Learning Communities (PLCs)
- School Climate Survey
- Technology Training
- Zones of Regulation

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Township Elementary supports ongoing professional growth throughout the year during Professional Learning Communities (PLC) time. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Simi Valley Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year and generally focus on curriculum, teaching strategies and methodologies. During the 2025-26 school year supplemental training topics focus on the following:

- Universal Design for Learning (UDL)
- Differentiated Instruction
- English Learner Supports
- Equity-Focused Practices to Support all Learners

Township Elementary offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Simi Valley Unified School District are being aligned to the California State Standards. Instructional materials for core content areas are approved by the district's Board of Education.
