

Dear Madison Parents,

As we plan for the **38th Annual Nite In Hand**, we are reaching out to the shoreline community to support this long-standing and meaningful tradition. Nite In Hand provides a fun, safe, and substance-free celebration for the graduating students of **Daniel Hand High School** on graduation night—an evening that allows families to celebrate knowing their students are in a supervised, positive environment.

We're excited to share that the **Nite in Hand donation and auction site is officially live** and will continue to grow over the next few weeks as we build momentum toward our live auction on **March 12, 6 PM** at the **American Legion** in Madison – more details are on the website.

You can donate directly through the site today, and we're also offering a fun "Give & Get" incentive — DHHS magnetic car decals available based on your donation level. As auction items come in, select donations will open for online bidding and be featured on the site ahead of the live event, so be sure to check back often to see what's new.

To help us reach as many supporters as possible, we would truly appreciate your help in spreading the word. Please feel free to share the site on social media or with friends, family, and colleagues who may want to support this important tradition. Thank you for being part of what makes Nite in Hand possible — every contribution, big or small, makes a meaningful difference!
