Go Guardian Parent Access:

Subject line: Welcome to GoGuardian Parent!

Welcome! Our school will be granting you access to GoGuardian, a mobile app designed to provide parents/guardians insight and control over their student's online activity when on school-managed devices and accounts. First, the GoGuardian Parent app provides an overview of your children's online activity on school-managed devices and accounts - this overview includes the apps, extensions, documents, and websites your student visited. Second, GoGuardian Parent provides you with an additional set of internet controls that you can set for out-of-school hours. GoGuardian Parent was created to help provide students additional educational support and is a companion to the classroom engagement and internet filtering tools that our school uses.

What is included in this app:

- Top 5 overview of your student's online activity
- Any teacher interventions related to your student's online activity
- 30-day overview of your student's online activity
- Ability to block websites on school-issued devices during out-of-school hours
- Ability to pause internet access on school-issued devices during out-of-school hours, either on-demand or at a scheduled time

To access the app, please follow the below instructions:

1. Download the app via Apple Store or Google Play Store
2. After the app is successfully downloaded and installed, open it up and enter the email address registered with the school.  
Note: If you forgot your registered email address, please reach out to front desk.
3. Login/Check Email: Check your email on your phone for a link to log in to the app. Tap the "Verify your email", and it will take you straight to the app. Note: If you don't have access to your email through the device you used to log in, tap on "Login with verification code", and copy and paste the verification code from the email into the app.

## Have you heard about our Weekly Essential?

Each week, we highlight an important value or behavior that we're focusing on as a school community. We encourage you to talk with your student about this week's essential and how they can put it into practice!

This Week's Essential:

You won't get results with work you didn't do!

## 2026-2027 Lottery Application Now Open

We're excited to share that the lottery application for the 2026-2027 school year is now open @ [abqaviation.com](http://abqaviation.com)!

If you have siblings, friends, or family members who are interested in joining our school community next year, they **must** complete a lottery application in order to be considered for enrollment.

For current students, please note that the Letter of Intent to Return for the 2026-2027 school year will be released in February. Completing the Letter of Intent is required to save your child's spot for next year.

The enrollment lottery will be held during the first week of March.

Thank you for continuing to be part of our school community and for helping us share this opportunity with others. Please reach out if you have any questions.

**JOIN THE RIO RANCHO CARPOOL!**
