

Superintendent's Report

Dr. Scott DeShong | January 2026

Providing a timely update on district initiatives, celebrations, and priorities, serving as a bridge between daily operations and the broader vision for Avon Grove.

From Wood Shop to Holiday Decor

This year, Mr. Ricketts High School Wood Shop students crafted wooden Christmas trees combining creativity and hands-on skills.

“ Making wooden Christmas trees in wood shop helped us practice real skills and be creative at the same time.

”

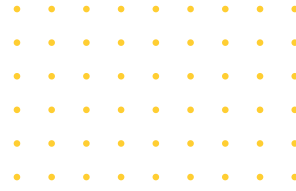

This hands on learning experiences showcases the students craftsmanship and holiday spirit. We love seeing students creativity come to life!

2024-2025 ANNUAL REPORT

The 2024–2025 Annual Report shares key achievements, data, and district priorities as we continue moving forward—together. Avon Grove School District's Annual Report to the Community provides a snapshot of the 2023-2024 academic year and includes information about our District's major strategic initiatives. This report was published and mailed to all residents of AGSD in January 2026.

NATIONAL LAW ENFORCEMENT DAY

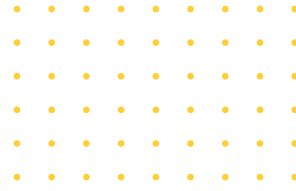

On Friday, January 9, AGSD celebrated National Law Enforcement Appreciation Day by recognizing Officer Bill Donahue for the important role he plays in helping keep our school community safe each day.

Thank you, Officer Donahue, for all that you do!

KINDERGARTEN REGISTRATION

Kindergarten registration opens February 5, and we are excited to welcome the Avon Grove Class of 2039!

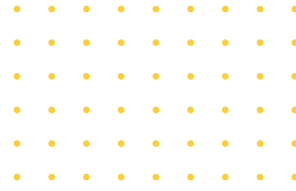

Kindergarten is the beginning of a lifelong learning journey, and we are proud to partner with families from day one. We look forward to welcoming your child and supporting them as they take this exciting first step into school.

Students must be five years old by September 1, 2026, to attend Kindergarten.

ADOPT A FAMILY SUCCESS

This month, we are reflecting on the incredible success of our Adopt-a-Family program and the many people who made it possible. A special thank you to **Helen Arrell**, former Penn London Elementary School nurse, whose caring spirit continues well into retirement.

Thanks to her dedication, this year's program supported over 250 families and more than 500 children. We are also deeply grateful to the many volunteers who made this program possible. Your kindness and generosity make a lasting impact on our community.

AGMS Vex Robotics Competition

Over the past two months, students have been busy designing, building, and programming VEX IQ robots for the Mix and Match challenge.

Mix and Match is a teamwork event where two teams partner up and use their robots to move and stack game pieces to earn points. We are happy to announce two of our three teams advanced to the competition finals! Congratulations to all of our student engineers for their hard work.
