Need Online Training Help?

ASCIP is ready to help!

Open a Help Desk Ticket!

Just reach out if you are:

- New to online training?
- Lost your password?
- Stuck on a course?
- Unable to find your certificate of completion?
- Work at other ASCIP districts and need to merge your training into one account?

Please reach out to your local district administrator if:

- You have a question about your employment application.
- You completed training at another location and want to know if it is acceptable to the district.
- You have questions about why you are being assigned online training.
