2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2025-26 School Description and Mission Statement

Dolores S. Whitley School is named after a long term educator and advocate for children in the Panama-Buena Vista Union School District. Mrs. Whitley was a teacher, administrator and Board Member. She believes children come first and is a positive role model for all educators.

Whitley School has students in grades TK through Eighth grade. The school also has four classrooms that support students with orthopedic impairments.

Our vision is to be a positive school community where students become critical thinkers, responsible citizens and lifelong learners prepared for the future!

Our mission is to collaborate, engage, challenge, inspire and communicate well, with a focus on building meaningful relationships, and ensuring equity and inclusion for all learners.

“We are Whitley” means that everyone who is part of the Whitley community—students, staff, and families—shares a common identity. It reflects our pride, unity, and commitment to supporting one another.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All grade levels have access to the district adopted state approved English Language Arts textbooks, Benchmark Advance in grades TK-6 and StudySync in grades 7 and 8. In addition, sites have leveled readers to use for small group guided reading instruction and intervention. Kindergarten uses phonemic awareness books to solidify instruction for letter sounds and blending. Grades 1-3 use additional resources to supplement their phonics curriculum. 95% Group materials are used to supplement ELA instruction. They are also used during intervention blocks to address the specific needs of students two or more years behind grade level. Students are also engaged using computer programs such as Lexia and, Read Naturally Live. All grade levels have access to the district adopted state approved math textbooks, Go Math for math instruction. In addition, Engage NY is used to supplement math instruction, when needed. Students are also engaged using Next Gen Math, a computer program designed to differentiate instruction in math.

School Facility Conditions and Planned Improvements

Whitley provides a safe and clean environment for learning. A scheduled maintenance program is administered by the District to ensure that all classrooms and facilities are maintained to a degree of adequacy that provides for good learning. Ongoing repairs and modifications to the physical plant exceed California Building and Safety Codes. The District's Coordinator of Safety and Risk Management verifies quarterly that OSHA requirements are met. The exterior grounds are well lit and the perimeter of the school facility is fenced for student protection and safety. A team of custodians ensures classrooms and campus grounds are kept clean and safe. The restrooms are cleaned, sanitized and secured at the end of each school day with 100% of the toilets in operating condition. As outlined in our Safe Schools Plan, the safety committee has addressed concerns for the safe coming and going of our students. The committee feels that security of all students is of the highest priority. Staff receives inservice in emergency protocol and CPR. All district employees, including substitutes, must wear identification badges while on our site or any district site. Visitor badges are issued to parents entering our campus, volunteers, and other visitors as they register in our office. The gates on the perimeter of the school playground are locked during school hours and staff members are trained to activate lock down procedures in the event of an emergency. Our positive partnership with local law enforcement is evident in their quick response time when concerns arise. Designated staff members carefully supervise students on the playground and in the cafeteria. Grounds and playground equipment are inspected regularly for potential hazards. The District provides on-going training in CPR/First Aid as part of its staff development program. Fire and/or disaster drills occur monthly and a complete school site disaster plan has been prepared and is in place and available for public review. Scheduled certificated supervision of students begins officially thirty minutes prior to the start of school (7:50) and ten minutes after the end of school (3:20).

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Whitley School offers many opportunities for parents to get involved. Families can participate in Parent Club, School Site Council, ELAC, and volunteer in classrooms. Parents are also encouraged to attend Back-to-School Night, Parent-Teacher Conferences, and Open House. In addition, families can take part in STEM Learning Day and a family literacy event. Whitley hosts an annual Title I meeting to share information about school funding and how resources are allocated. This year, Whitley also introduced a Fall Festival to help strengthen connections within the school community.

2025-26 School Safety Plan

The Whitley Safe School Plan covers several important areas to ensure the climate and culture at Whitley Elementary School supports students in the classroom and outside of the classroom. To address cultural diversity the school will provide English Language Development, conduct meetings to provide information on English Language Development and hold training. To ensure staff meets student and family needs we will provide training on a variety of safety areas. The school's physical environment has signage, employee badges and parent sign in for student safety. For emergency preparedness we will have training, equipment and practice disaster scenarios. Whitley will promote a collaborative and positive culture to support student safety and learning. Our school's Comprehensive School Safety Plan is reviewed and updated annually following a review by the School Site Council, comprised of a minimum of the school principal (or designee), certificated staff, classified staff and a parent of a current student. It is annually reviewed and approved by the district's Board of Trustees. The Comprehensive Safe School Plan was approved on November 03, 2025 and shared with staff December 03, 2025.

Fiscal Year 2024-25 Types of Services Funded

The District's categorical fund includes monies for:

Title I:

Title I, Part A is a federal program to ensure that schools with high percentages of children from low-income families have a fair, equal, and significant opportunity to obtain a high-quality education and reach proficiency on State academic achievement standards and assessments. Funds support effective, evidence-based educational strategies that close the achievement gap and enable students to meet challenging academic standards. All expenditures must be supplemental to the basic core program and written into the School Plan for Student Achievement based on a comprehensive needs assessment. Input on budget and expenditures is gathered and shared with the staff, School Site Councils, the school's English Learner Advisory Committee, and District Advisory Committees. Use of funds may include any of the following: hiring supplemental staff, professional development, supplemental instructional materials, technology, library materials, after-school academic support, parental engagement activities, consultants, and assistance for homeless children and youth.

Title II:

Title II provides supplemental activities that strengthen the quality and effectiveness of teachers, principals, and other school leaders which include:

- Provide low-income and minority students greater access to effective teachers, principals, and other school leaders;
- Increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement in schools.
- Increase student achievement consistent with the challenging state academic standards; and
- Improve the quality and effectiveness of teachers, principals, and other school leaders.

Title III

The district uses Title III funds to help ensure that children who are limited English proficient, including immigrant children and youth, attain English proficiency, develop high levels of academic attainment in English, and meet the same challenging State academic content and student academic achievement standards as all children are expected to meet. The funds are used to provide resources and training that will: 1). Improve the instruction and assessment of ELs; 2). Enhance the ability of teachers to implement curriculum, and improve their instructional strategies for ELs; and 3). Effectively Increase students' English language proficiency.

Title IV:

The District uses Title IV funds to improve students' academic achievement by providing all students with access to a balanced academic program including a wide range of support including physical health/wellness, social-emotional, positive behavior, and mental health to improve conditions for student learning. Use of funds may include any of the following: hiring specialized support personnel, professional learning, supplemental instructional materials, technology, consultants, etc.

Professional Development

Professional Development Focus areas include 21st-century learning strategies, English Language Development, district-adopted curriculum, educational technology strategies, district-adopted intervention strategies for MTSS, Direct Interactive Instruction, Classroom Management, Common Core Standards Implementation, Grade Level Focus Groups, as well as PBIS and AVID implementation. Areas were selected based on a district-wide survey reflecting on student achievement and areas of additional need from the teacher's point of view. Professional development is delivered through district-wide Educator Learning Summit, pbvUniversity, administrative leadership training, site-specific professional learning, conference attendance, and Kern County Superintendent of Schools and university partnerships. Each site participates in a weekly early release day to focus on Professional Learning Communities, which include ninety minutes of release time for teachers to receive school site professional learning and develop Common Core standards-aligned lessons with their collaborative teams. Through administrative professional learning opportunities, follow-up coaching is provided to support district-driven instructional priorities to support the implementation of teacher professional learning. Teachers are also supported by site administration, academic coaches, New Teacher Support, instructional coordinators, and specialists.
