## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

Tevis was named after a pioneer family who bought and ranched the land where the school is presently located. The student body is known as the Tevis Rangers.

Purpose Statement: We're all in this together: Caring, Connecting and Committing to growth inspiring hope and success for all.

Tevis has 35 classrooms including: a band room, a chorus/orchestra room, full physical education facilities with locker rooms and showers, physical education activity room(s), three IIC classrooms, a fully-equipped shop, science labs, and art room. All students are issued a 1:1 Chromebook which they carry class-to-class and take home. In addition, there is a full-service cafeteria and serving kitchen providing daily hot lunches. The library accommodates 60 students and provides over 15,555 volumes for student and teacher use. The multi-purpose room seats 400 for lunch and approximately 650 for programs; the school gymnasium seats 800. The School Accountability Report Card was established by Proposition 98, an initiative passed by California voters in November 1988. The Report Card, to be issued annually by local school boards for each elementary and secondary school in the state, provides for parents and other interested people a variety of information about the school, its resources, its successes, and the areas in which improvements are needed.

Specific academic goals are based on the District courses of study, various state frameworks and the Common Core State Standards. Progress towards the accomplishment of our goals is regularly monitored through performance benchmarks and annual self-studies, as well as department, staff, leadership team, parent club, and site council meetings in order to assure that we are addressing the current needs of our students. Because of our well-defined vision and goals, Tevis Junior High School students develop attitudes that enable them to be lifelong learners, and they are actively engaged in their education through a variety of strategies.

Tevis Junior High School is committed to providing a learning environment and an instructional program that meets the needs of all learners. The goal of curriculum and instruction is to enable each student to acquire the academic, social and emotional skills necessary to compete successfully at higher academic levels and to exercise the rights and responsibilities of citizenship. To this end, school staff, parents, the Board of Trustees, District administration, and the broader community work collaboratively and cooperatively for the benefit of each student.

## 2025-26 School Description and Mission Statement

Taking pride in our outstanding academic climate and tradition of service to the school community, Tevis Junior High School is dedicated to preparing students to be productive and informed citizens of the 21st century. Our united team of dedicated teachers, support staff, students, and parents welcomes you to a school where traditional activities and events augment students' academic learning experiences.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All grade levels have access to the district adopted state approved English Language Arts textbooks, Benchmark Advance in grades TK-6 and StudySync in grades 7 and 8. In addition, sites have leveled readers to use for small group guided reading instruction and intervention. Kindergarten uses phonemic awareness books to solidify instruction for letter sounds and blending. Grades 1-3 use additional resources to supplement their phonics curriculum. 95% Group materials are used to supplement ELA instruction. They are also used during intervention blocks to address the specific needs of students two or more years behind grade level. Students are also engaged using computer programs such as Lexia and, Read Naturally Live. All grade levels have access to the district adopted state approved math textbooks, Go Math for math instruction. In addition, Engage NY is used to supplement math instruction, when needed. Students are also engaged using Next Gen Math, a computer program designed to differentiate instruction in math.

## School Facility Conditions and Planned Improvements

Tevis Junior High School provides a safe and clean environment for learning. A scheduled maintenance program is administered by the District to ensure that all classrooms and facilities are maintained to a degree of adequacy that provides for good learning. Ongoing repairs and modifications to the physical plant exceed California Building and Safety Codes. The District's Coordinator of Safety and Risk Management verifies quarterly that OSHA requirements are met. The exterior grounds are well lit and the perimeter of the school facility is fenced for student protection and safety. A team of custodians ensures classrooms and campus grounds are kept clean and safe. The restrooms are cleaned, sanitized and secured at the end of each school day with 100% of the toilets in operating condition. As outlined in our Safe Schools Plan, the safety committee has addressed concerns for the safe coming and going of our students. Staff members receive inservice in emergency protocol and CPR. Identifying tags are issued to volunteers and other visitors as they register in our office and all site staff members and substitute teachers wear district-issued picture ID badges. The gates on the perimeter of the school campus are locked during school hours and staff members are trained to activate lock down procedures in the event of an emergency. Our positive partnership with local law enforcement is evident in their quick response time when concerns arise. A campus security supervisor and other designated staff members supervise students on the school grounds throughout the day from 7:45 A.M. until 3:30 P.M. Staff and students conduct monthly fire, lockdown, or (earthquake) disaster drills; and a comprehensive Safe School Plan has been developed and will be implemented by staff in the event of an emergency or natural disaster. PBIS has been implemented at Tevis. SPURS: Be Safe, Productive, Unified, Responsible, and Selfless. Students are off site for Distance Learning until further notice. All staff must clear a health screening including a temperature check before entering any building. The same safety precautions are in place for site visitors and 1:1 student assessments.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

<b>Mathematics</b> (grades 3-8 and 11)	26	26	30	31	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

The parents of Tevis Junior High School students support their children, the school and the community by helping their children at home with their school work, providing a caring environment, and by attending conferences, programs, and athletic and academic events. Opportunities for Parental Involvement at Tevis Junior High School include the Parent Club, School Site Council, English Language Advisory Committee and Parent Advisory Council. Many of our parents find our Music Program at Tevis Junior High to be the perfect opportunity for connecting. Over 350 of our students participate and perform virtually throughout the year at concerts, parades, ensembles, or charity functions. Parents can help by donating their time or by just attending. We sold over 1000 tickets to our annual Music Department Deep Pit BBQ and Concert. Parents, faculty, and community members mingled, ate, and relaxed in our amphitheater listening to 5 different musical concerts. Our Parent Club is highly active at Tevis Junior High. Meetings are held on the first Friday every other month. Parents plan and supervise Ranger Day vendors, year-end dances, oversee our Pack-A-Snack service activities, manage fundraisers, plan assemblies, and host teacher celebrations. Contact Person: Paul Coon, Principal Contact Phone No.: (661) 664-7211 Parent Club President: Lorissa Ray.

## 2025-26 School Safety Plan

Tevis Junior High School has a positive learning environment. SPURS is our acronym which stands for Safe, Productive, Unified, Respectful, & Selfless which set our expectations for students and staff. Each morning, the principal puts emphasis on one of the words and reminds students to "Be that Ranger!" Tevis Junior High School believes students who develop a sense of personal responsibility in a positive way will mature both academically and emotionally. Parents and students are informed of expectations at the beginning of each quarter throughout the school year through our Ranger Expectations assemblies as well as individual parent-student handbooks. Students with excessive tardies, trancies or unexcused absences are subject to disciplinary action including detention and mandatory parent conferences. The District has established a Home and Hospital Instruction Program for students who must be absent from school due to illness for an extended period of time.

Additionally, the District provides for Independent Study for students who are absent 5 or more days. Our school's Comprehensive School Safety Plan is reviewed and updated annually, and approved by our School Safety Committee (PBIS Committee Members), and by the district's Board of Trustees.

Tevis establishes guidelines to provide students with a meaningful, productive, and enjoyable school experience. Appropriate behavior is encouraged through praise and motivational incentives as well as assertive discipline and conflict resolution tools to further develop personal growth. Expulsions occur only when required by law or when all other alternatives are exhausted.

## Fiscal Year 2024-25 Types of Services Funded

The District's general fund includes monies for:

- General operations—salaries, benefits, services, materials, and support to the general education
- Special Education—programs offering appropriate, individualized instruction to students with special needs
- Coordinating Federal Funds for strategies to meet the goals of the SPSA.
- Coordinating State and Local funds for strategies to meet the goals of the SPSA.
- Gifted and Talented Education Program—specialized learning assistance for identified students of high ability, achievement, or potential
- Special projects—monies from agencies (federal or state) earmarked for specific programs/projects or services
- Transportation
- Maintenance and operations
- District administration

Each school in the District receives an instructional budget based on enrollment, programs, and formulas set by Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding sources.

The District's categorical fund includes monies for:

Title I:

Title I, Part A is a federal program to ensure that schools with high percentages of children from low-income families have a fair, equal, and significant opportunity to obtain a high-quality education and reach proficiency on State academic achievement standards and assessments. Funds support effective, evidence-based educational strategies that close the achievement gap and enable students to meet challenging academic standards. All expenditures must be supplemental to the basic core program and written into the School Plan for Student Achievement based on a comprehensive needs assessment. Input on budget and expenditures is gathered and shared with the staff, School Site Councils, the school's English Learner Advisory Committee, and District Advisory Committees. Use of funds may include any of the following: hiring supplemental staff, professional development, supplemental instructional materials, technology, library materials, after-school academic support, parental engagement activities, consultants, and assistance for homeless children and youth.

Title II:

Title II provides supplemental activities that strengthen the quality and effectiveness of teachers, principals, and other school leaders which include:

- Provide low-income and minority students greater access to effective teachers, principals, and other school leaders;
- Increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement in schools.
- Increase student achievement consistent with the challenging state academic standards; and
- Improve the quality and effectiveness of teachers, principals, and other school leaders.

Title III

The district uses Title III funds to help ensure that children who are limited English proficient, including immigrant children and

youth, attain English proficiency, develop high levels of academic attainment in English, and meet the same challenging State academic content and student academic achievement standards as all children are expected to meet. The funds are used to provide resources and training that will: 1). Improve the instruction and assessment of ELs; 2). Enhance the ability of teachers to implement curriculum, and improve their instructional strategies for ELs; and 3). Effectively Increase students' English language proficiency.

### Title IV:

The District uses Title IV funds to improve students' academic achievement by providing all students with access to a balanced academic program including a wide range of support including physical health/wellness, social-emotional, positive behavior, and mental health to improve conditions for student learning. Use of funds may include any of the following: hiring specialized support personnel, professional learning, supplemental instructional materials, technology, consultants, etc.

## Professional Development

Professional Development Focus areas include 21st-century learning strategies, English Language Development, district-adopted curriculum, educational technology strategies, district-adopted intervention strategies for MTSS, Direct Interactive Instruction, Classroom Management, Common Core Standards Implementation, Grade Level Focus Groups, as well as PBIS and AVID implementation. Areas were selected based on a district-wide survey reflecting on student achievement and areas of additional need from the teacher's point of view. Professional development is delivered through district-wide Educator Learning Summit, pbvUniversity, administrative leadership training, site-specific professional learning, conference attendance, and Kern County Superintendent of Schools and university partnerships. Each site participates in a weekly early release day to focus on Professional Learning Communities, which include ninety minutes of release time for teachers to receive school site professional learning and develop Common Core standards-aligned lessons with their collaborative teams. Through administrative professional learning opportunities, follow-up coaching is provided to support district-driven instructional priorities to support the implementation of teacher professional learning. Teachers are also supported by site administration, academic coaches, New Teacher Support, instructional coordinators, and specialists.
