PRINCIPAL'S MESSAGE

Thank you for taking the time to read El Camino High at Ventura College's Annual School Accountability Report Card. This report provides valuable information about our instructional program, academic achievement, textbooks, student safety, facilities, and staff. Understanding our educational program, student achievement, and curriculum development can assist both our school and the community in ongoing student success.

El Camino High School at Ventura College is focused on providing its students with the opportunity to achieve, accommodating individual learning styles while maintaining high, yet obtainable, expectations for students. El Camino High at Ventura College offers a standards-based, college-prep curriculum delivered through the independent study format emphasizing a middle college-style course of study. Students are given the opportunity to become responsible, motivated citizens, equipped with the skills to be successful in their post-secondary endeavors.

School Vision Statement

We provide students with a supporting and caring academic environment, rich in opportunity, choice, accountability, and challenge.

DISTRICT & SCHOOL DESCRIPTION

District Vision Statement

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a lifelong passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

District Mission Statement

The Ventura Unified School District will educate all students in safe, healthy, and high performing schools. We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to reach their full potential, motivate all students to successfully pursue their chosen life path, and engage all students to become responsible and contributing members of society.

Ventura Unified School District

Ventura Unified School District is the third largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. Over 14,000 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, and 5 high schools.

El Camino High School

El Camino High School at Ventura College ("El Camino High") is located on the Ventura Community College campus and serves students in grades nine through twelve following a traditional calendar. At the beginning of the 2024-25 school year, 221 students were enrolled, including 2.7% in special education, 0.9% enrolled are English Language Learners, 1.8% homeless, and 38% socioeconomically disadvantaged.

Profile of a Successful ECHS Student:

- Has strong reading, writing and math skills
- Works independently
- Is able to budget and manage their time well
- Has strong organizational skills
- Is self-motivated and goal-oriented
- Takes initiative and communicates needs
- Is responsible with good follow-through
- Has confidence to seek out opportunities
- Works beyond the minimum

El Camino High is a small public high school offering academically rigorous coursework within an independent-study environment. The academic program offers college prep, honors and AP courses. Many students choose the independent study delivery system because of the flexibility it provides, the one-to-one mentoring, and the ability to pursue courses at the community college, participate in internships, work experience, community service, or to pursue passions in the arts and/or athletics. El Camino High School's academic programs meet the state's content standards and frameworks, tailored to meet the individual learning styles of its students. Graduation requirements and coursework for El Camino High's students are the same as those for students enrolled in a comprehensive high school program.

El Camino High School enjoys a special partnership with Ventura College; students may take courses to fulfill graduation requirements or get a head start on their associate of arts degree or undergraduate requirements. Over 95% of El Camino High School's students are taking advantage of the opportunities the Ventura College offers.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through ParentSquare, school newsletters, personal phone calls, master agreement meetings, emails, the school website, and notices posted in the entryway display case. Contact the school office at (805) 289-7955 for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer

STUDENT ACHIEVEMENT

Physical Fitness

In the spring of each year, El Camino High School is required by the state to administer a physical fitness test to all students in ninth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and State results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Physical Fitness Test

% of Students Participating in each of the Five Fitness Components

2024-25

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength & Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
9	100%	100%	100%	100%	100%

Note: The administration of the PFT requires only participation results for these five fitness areas.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

CAASPP Test Results in ELA and Mathematics for All Students

	Percent of Students Meeting or Exceeding State Standards					
	School		District		State	
	23-24	24-25	23-24	24-25	23-24	24-25
English-Language Arts/Literacy (Grades 3-8 and 11)	76.0	78.0	47.0	49.0	47.0	48.0
Mathematics (Grades 3-8 and 11)	34.0	28.0	37.0	37.0	35.0	37.0

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. El Camino High School's current facilities were built in 2008; ongoing maintenance, repairs, and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. During the 2025-26 school year, the following campus repairs and improvements were planned to be completed:

- New phone system schoolwide
- Renovation of the quad area
- Repairs to ramp rails
- Installation of new HVAC units in three classrooms
- Clean and repairs to the school garden
- Upgrades to the fire alarm system

Facilities Maintenance

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the principal and/or program coordinator inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One full-time custodian is shared with Homestead School. The custodian is responsible for general cleaning, custodial functions, and restroom cleaning.

The custodian and teachers inspect restrooms throughout the day for cleanliness; restrooms are subsequently cleaned if needed. The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Supervision

El Camino High's campus simulates a college environment, students are expected to travel to and from classes in a responsible, safe manner. Independent study students have scheduled times each week to meet with their designated teacher and may or may not be accompanied by their parent or guardian.

Whole-class instruction is offered at designated times throughout the week; students who are enrolled in these classes are required to report directly to the classroom when on campus.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for El Camino High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in January 2026.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Facilities Inspections

The district's maintenance department inspects El Camino High School on an annual basis in accordance with Education Code §17592.72(c)(1). El Camino High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on August 21, 2025. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

Dropouts & Graduation Rates

El Camino High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include SST meetings every Friday, independent study, counseling, credit completion rates, math tutoring for three levels, math support class, student-led AVID tutorials in any subject, and attendance trends. Students may concurrently enroll at Ventura College or the comprehensive high school for seat-based instruction. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

Detailed information about dropout rates and graduation rates can be found on the DataQuest web page at <http://dq.cde.ca.gov/dataquest/>.

Chronic Absenteeism

The chart in this report identifies the chronic absenteeism rates by student group for El Camino High School for the 2024-25 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Class Size

The Average Class Size and Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Discipline & Climate for Learning

El Camino High School's discipline policies are based upon a schoolwide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior during weekly meetings with students. El Camino High School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

- AMIRA (At Risk for Reading Difficulty Screener Training and Structured Literacy)
- California Reading and Literacy Project (CRLP)
- Co-Teaching
- Healthy Campus (Online Platform for Conducting Wellness Services)

During the 2025-26 school year, teachers also have the opportunity to attend supplemental training offered by the District Office focused on:

- Lexia - ELD Strategies, Best Practices
- Dually Identified Training for SAI/ML Liaisons - Best Practice for Teaching/Progress Monitoring English Learners with Disabilities
- Ed Tech Trainings (Canvas, etc.)
- Designated ELD Strategies
- Interim CAASPP Trainings
- Interim ELPAC Trainings
- US History Ethnic Studies Integration
- PLC Coaching
- Anti-Bias and Anti-Racist (ABAR) Resources, Responses and protocols
- Aeries Student Information System Navigation

Supplemental site-based training takes place during faculty, grade level, and department meetings. The principal identifies teacher training needs based upon parent survey results, teacher input, teacher evaluations, and the Healthy Kids Survey. During the 2024-25 school year, El Camino High School's staff development activities concentrated on:

- AVID Training
- Bully Prevention / Mandated Reporting
- California Coalition of Early & Middle Colleges
- Collaboration: Science, ELA, Electives in PLC Structure
- Collaboration w/Ventura College for Dual Enrollment Purposes
- College & Career Readiness
- Comprehensive Data Analysis

- Student Engagement

The district also offers supplemental professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

The Ventura County Teacher Induction Consortium is a two-year, individualized, job-embedded system of mentoring, support and professional learning that begins in the teacher's first year of teaching for newly credentialed teachers in California. The program is accredited by the Commission on Teacher Credentialing (CTC) and is administered by the Ventura County Office of Education (VCOE), Educator Support and Effectiveness (ESE) department, in coordination with a consortium of 18 school districts, local charter schools, private schools, and 5 university partners.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for 9-12 are aligned to state standards and approved by the district's board of education.

On September 23, 2025, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks

Staff Development

All professional development activities at Ventura Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based on State Standards implementation, the new science standards, teacher surveys, and district initiatives. Findings from formative assessment results indicate that reading, writing, and mathematics are the primary focus areas.

During the 2023-24, 2024-25, and 2025-26 school years, the teachers at El Camino High School had the opportunity to participate in districtwide staff development training focused on:

- 2023-24 Trainings:
- Trauma Informed Practices
 - Dual Language Education
 - MAP Reports
 - ELPAC Task Types
 - Multilingual Learner Liaisons Collaboration

- 2024-25 Trainings:
- District Assessments
 - Trauma Informed Practices
 - Multi-Tiered System of Supports (MTSS)
 - Department Level Collaboration
 - Dual Language Education
 - MAP Reports
 - ELPAC Task Types
 - Multilingual Learner Liaisons Collaboration

- 2025-26 Trainings:
- Sonday (Structured Literacy Supplemental Curriculum)
 - IXL (Online Platform - Various Subjects)
 - Professional Learning Communities (PLCs)
 - ESGI (Online Platform for Assessing/Progress Monitoring Early Literacy)

and instructional materials have been provided to students. The Board of Education adopted Resolution #25-22 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2025-26 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

COLLEGE PREPARATION & WORK READINESS

College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. The following table illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

Admission Requirements for California Public Universities University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit the University of California web site at www.universityofcalifornia.edu/admissions/general.html.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the California State University web site at www.calstate.edu/admission/.

Advanced Placement

El Camino High School students establish advanced course study recognition by taking Ventura Community College courses and earning dual credits for the courses taken at the college. Select Honors and AP courses are available in English, US History, Government, and Economics. District-provided advanced placement programs provide an opportunity for students to enroll in courses at Ventura High and Buena High that qualify for college credit. El Camino High students may also establish AP credit by taking courses at Ventura College. Sophomores, juniors, and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges.

Workforce Preparation

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their intake meeting, students meet with their teacher and El Camino High School's counselor to discuss their four-year academic plan and are introduced to available technical and career education programs. The counselor meets at least twice a year with each student to follow-up on their progress in meeting graduation requirements and career objectives.

El Camino High School has a College and Career Center on campus where students can meet three times per week, three hours per day with counselors, outside speakers on careers, complete career assessments, obtain counseling or get assistance with the FAFSA process.

All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. El Camino High School students may enroll in work experience or VC CEC or VC CTE programs for opportunities that promote leadership, develop job-related skills, and provide on-the-job experience. Individual student assessment of work readiness skills takes place through end-of-course exams, completion of course-required projects, and on-the-job observation.

Students have access to gain work-related experience and skills through the Ag Program at Pacific High School, CAPS Media, Navy Engineering, Navy internships, and community services projects. CAPS Media (Community Access Partners of San Buenaventura) provides training and access to telecommunication technology through a public forum and participants in electronic media distribution. Community service projects serve a dual purpose - students experience the personal fulfillment in helping others while building a well-rounded college application resume.

Work experience students are partnered with local community organizations and local employers that provide on-the-job training and mentoring for students 16 years of age or older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. Since the work experience program is a work-study combination, students may earn from one to ten course credits each semester. For more information, students should contact their teacher or counselor.

The Career Education Center (CEC) programs are offered in partnership with the Ventura County Office of Education. A variety of career technical education courses are available off-campus to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education. ROP courses are held at the county's Camarillo Airport Campus; free bus transportation is provided for participating students.

PROFESSIONAL STAFF

Counseling & Support Staff

El Camino High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to El Camino High School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

2024-25

	No. of Staff	FTE
Academic Counselors	2	1.9
School Nurse	1	As Needed
Health Technician	1	As Needed

Note: One full-time equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50% of full-time.

Teacher Preparation and Credentials

The charts in this report identify the number of teachers at El Camino High School, Ventura Unified School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report El Camino High School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2023-24 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2023-24 school year, Ventura Unified School District spent an average of \$19,098 of total general funds to educate each student (based on 2023-24 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Ventura Unified School District receives state and federal categorical funding for special programs. For the 2023-24 school year, the district received categorical, special education, and support programs funds for:

- After School Education and Safety (ASES)
- After School Kids Code Grant Pilot Program
- American Rescue Plan – Homeless Children and Youth
- Antibiases Education Grant

SARC DATA

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about El Camino High School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard <https://www.caschooldashboard.org/> (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Ventura Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials sections and the school facilities section was acquired in November 2025.
