PRINCIPAL'S MESSAGE

Welcome to Loma Vista Elementary, the school where everyone has a spot. The School Accountability Report Card provides families and community members with important information about our school's academic programs, student progress, and the learning environment we strive to create for all students.

At Loma Vista, our mission is to ensure that every student feels valued and has a meaningful place in our community. We work each day to build a learning environment where students grow academically, socially, and personally through strong relationships and engaging instruction. As a high achieving school, we are committed to maintaining strong academic outcomes while ensuring that students experience joy, belonging, and meaningful instructional depth in their learning. This includes our development of a comprehensive Positive Behavior Interventions and Supports (PBIS) system, which helps our Leopards thrive socially and emotionally, strengthens academic success, and keeps our school community connected through consistent expectations and positive recognition. Our staff collaborates in Professional Learning Communities (PLCs) to refine practice, align instruction, and support all learners with high quality, standards based curriculum.

We are proud of the unique programs that set Loma Vista apart, including our Deaf and Hard of Hearing (DHH) and Visually Impaired (VI) programs, a wide range of extracurricular opportunities, and our commitment to whole child education. These programs reflect our belief that students thrive when they are offered multiple pathways to learn and opportunities to explore their strengths and interests.

Our strong partnerships with families and the broader Ventura community are a defining strength of Loma Vista. Many of our families are multi generational Leopards, returning year after year with deep pride and connection to our school. This legacy of care helps create a warm, inclusive, and vibrant school community. Parent involvement brings incredible energy to campus and supports meaningful engagement opportunities such as our annual Costume Parade, Carnival, Spot-astic Color Run, Talent Show, and many other events that enrich the student experience. These shared traditions strengthen our sense of belonging and ensure that every Leopard feels part of something special.

Loma Vista Elementary School

Loma Vista Elementary School follows a traditional calendar schedule. The campus is characterized by a sense of warmth, vibrancy, and community. A California Native Garden, raised beds, and a small orchard create a wonderful connection between school and community.

At the beginning of the 2024-25 school year, 396 students were enrolled, including 11.6% in special education, 2.5% qualifying for English Language Learner support, 2.8% homeless, and 37.4% socioeconomically disadvantaged.

The district's DHH (deaf and hard of hearing) program is located at Loma Vista Elementary and offered to children in grades PreK-5. The PreK special education program serves children ages 3-5 who have an IEP and qualify for DHH services.

STUDENT ACHIEVEMENT

Physical Fitness

In the spring of each year, Loma Vista Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and State results can be found at the CDE's website www.cde.ca.gov/ta/tg/pfi/.

Note: The administration of the PFT requires only participation results for these five fitness areas.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Loma Vista Elementary School's original facilities were built in 1953; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. The following campus repairs or improvements were planned or completed in the last 12 months:

2024-25 Campus Improvements:

- Installation of portable AC's in all rooms
- Renovate the conference room
- Installation of a new intercome system (2025-26)

Every morning before school begins, either the principal or the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Loma Vista Elementary School. The day custodian is responsible for:

- Restrooms
- Cafeteria Setup/Cleanup
- General Cleaning and Custodial Functions
- Library
- Office

Restrooms are checked twice a day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classrooms
- Restrooms
- Routine Maintenance

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Loma Vista Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff at a faculty meeting in January 2026.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, a classified member supervises the front bus area and two teachers are strategically assigned to designated entrance areas to provide student supervision and one classified staff member is in the cafeteria to monitor breakfast activity. During recess, campus safety assistants supervise playground activity. Campus safety assistants, the principal, and paraeducators monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, teachers and campus safety assistants monitor student behavior to ensure a safe and orderly departure. The principal assists with supervision in the morning, during recess, and during dismissal.

During school hours, all visitors must be buzzed in at the gate, sign in at the school's office and wear identification badges while on school grounds.

Facilities Inspections

The district's maintenance department inspects Loma Vista Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Loma Vista Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on August 26, 2025. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

Discipline & Climate for Learning

Loma Vista Elementary School's discipline policies are based upon a the Positive Behavioral Interventions and Supports (PBIS) model to create a positive behavior management program and promote responsibility, respect, and thoughtfulness. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. At the beginning of the school year, the principal leads grade level assemblies to reinforce the importance of being responsible, respectful, and safe. Loma Vista Elementary School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

School administration and teaching staff are qualified to recognize, manage, and respond to unacceptable behaviors to support a safe and respectful learning environment. Loma Vista Elementary School's staff and the school counselor talk with students about the Big Deals, Little Deals program. This program helps children differentiate big deals - situations that require adult intervention and little deals - those things children are capable of handling on their own. Once children have learned the difference and know the strategies, they are better equipped to cope with and handle lifes everyday difficulties independently.

Chronic Absenteeism

The chart in this table identifies the chronic absenteeism rates by student group for Loma Vista Elementary School for the 2024-25 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CURRICULUM & INSTRUCTION

Staff Development

All professional development activities at Ventura Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based on State Standards implementation, the new science standards, teacher surveys, and district initiatives. Findings from formative assessment results indicate that reading, writing, and mathematics are the primary focus areas.

During the 2023-24, 2024-25, and 2025-26 school years, the teachers at Loma Vista Elementary School had the opportunity to participate in districtwide staff development training focused on:

2023-24 Trainings:

- K-5 Grade Level Collaboratives
- Trauma Informed Practices
- California Reading & Literature Project: RESULTS Training (K-3)
- Dual Language Education

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for both TK and 9-12 are aligned to state standards and approved by the district's board of education.

On September 23, 2025, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #25-22 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2025-26 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.
