## Principal's Message

Dear Montalvo Families,

It is with great joy and heartfelt enthusiasm that I introduce myself as the new principal of Montalvo Elementary School. My name is Claudia Esquivel, and I am honored to return to Ventura Unified School District and to the very school where my teaching journey began.

Over the past two decades, I have served in many roles within public education: Dual Language classroom teacher, instructional coach, TOSA, curriculum leader, and most recently, instructional specialist focused on biliteracy and multilingual learner. Each experience has deepened my belief that every child deserves a joyful, rigorous, and inclusive learning environment where they can thrive academically and feel a true sense of belonging.

Montalvo holds a special place in my heart. I completed my student teaching here, and from the moment I stepped on campus years ago, I felt the warmth and strength of this community. As your new principal, I look forward to building strong relationships with students, families, and staff. It is my top priority to work together to continue the important work of fostering excellence, equity, and bilingualism for all learners.

Family engagement will be a cornerstone of our work together. I believe that families are our students' first and most important teachers, and I am committed to creating a school culture that welcomes your voice, your ideas and your dreams of our children.

In the coming weeks, I hope to meet many of you during drop-off, pick-up, or school events. Please don't hesitate to stop by, say hello, and introduce yourself. I truly value the partnership we will build together.

Thank you for the opportunity to serve this amazing community. We are excited for the year ahead and all that we will accomplish together.

With heartfelt gratitude,
Claudia Esquivel

We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to reach their full potential, motivate all students to successfully pursue their chosen life path, and engage all students to become responsible and contributing members of society.

## Ventura Unified School District

Ventura Unified School District is the fourth largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. Approximately 15,000 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, and 5 high schools.

## Montalvo Elementary School

Montalvo Elementary School serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2024-25 school year, 396 students were enrolled, including 12.8% in special education, 13.4% qualifying for English Language Learner support, 2.0% homeless, 0.3% migrant, and 66.5% socioeconomically disadvantaged.

Serving the community's educational needs for over 110 years as a small neighborhood school, Montalvo Elementary currently offers a traditional elementary program, a dual language program, and a preschool program. Montalvo Elementary is one of three dual language programs offered in the Ventura Unified School District. Montalvo Elementary offers a 90-10 Dual Language Education (DLE) program providing instruction to students in both English and Spanish.

The Jumpstart preschool program is open to income-qualifying families seeking creative playtime and educational activities for their children ages 3-5. Free after school day-care is provided on Montalvo Elementary's campus by Expanded Learning Opportunities Program (ELO-P); fee-based services are available for students in grades K-5 through the Los Posas Children's Center; the center is open from 2:15 p.m. to 6:30 p.m. five days a week.

# Local Control Accountability Plan (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

State Priority 1: Basic (Conditions of Learning)

The SARC provides the following information relevant to the State priority:

• Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
• Pupils have access to standards-aligned instructional materials; and school facilities are maintained in good repair.

State Priority 2: State Standards (Conditions of Learning)

The SARC does not cover any of the requirements of State Priority 2.

State Priority 3: Parental Involvement (Engagement)

The SARC provides the following information relevant to the State priority:

State Priority 4: Pupil Achievement (Pupil Outcomes)

The SARC provides the following information relevant to the State priority:

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).
• The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

• The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

# Student Achievement

## Physical Fitness

In the spring of each year, Montalvo Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and State results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

*Note: The administration of the PFT requires only participation results for these five fitness areas.*

## California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

# School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Montalvo Elementary School's original facilities were built in 1937; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. During the last 12 months, the following campus repairs or improvements were completed:

- Installation of solar panels (completion Summer 2025)
- New playgrounds (completion Summer 2025)
- New HVAC (completion Summer 2025)

Every morning before school begins, the principal and day custodian inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Montalvo Elementary School. The day custodian is responsible for:

- Cafeteria Setup/Cleanup
- Restrooms
- General Cleaning and Custodial Functions

Restrooms are checked three times a day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classrooms
- Restrooms
- Routine Maintenance

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Montalvo Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and reviewed with school staff in January 2026.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

## Campus Supervision

We place a high priority on providing a safe campus. As students arrive on campus each morning, the principal, campus safety assistants, and assigned teachers are strategically stationed at designated entrance areas and on the playground. During recess and snack, assigned teachers and campus safety assistants monitor playground activity. At lunchtime a team of campus safety assistants supervise the cafeteria and play areas. Teachers and/or campus safety assistants supervise afternoon recess and dismissal.

Montalvo Arts Academy is a closed campus. During school hours all visitors must sign in to the office and obtain a Visitor's Badge while on school grounds. We welcome volunteers! Please come to the office to complete the necessary paperwork and procedures. Thank you for your cooperation in keeping our children safe.

## Facilities Inspections

The district's maintenance department inspects Montalvo Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Montalvo Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on December 17, 2025. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

# Classroom Environment

## Climate for Learning

Montalvo Dual Language Arts Academy makes daily efforts to provide a safe, nurturing environment for students, staff, and families by offering all members of our school community opportunities to grow in the areas of social emotional learning and cultural proficiency. We use our "Every Montalvo Lion ROARS" acronym (Responsibility, Optimism, Acceptance, Respect and Safety) to establish common language and expectations for our community. We reward students with ROAR bucks for exemplifying our ROARS, which they can spend in our ROAR store for prizes or privileges and hold Awards Assemblies each trimester. We also recognize Lion Club of the week to students who exemplify our ROARS, and these students are recognize weekly during Monday announcements, a picture is taken and posted, and they are provided a certificate.

Our Family-School Compact serves as a guide for behavioral expectations for both students and staff. Maintaining a positive attitude, demonstrating self-control, respecting diversity and treating others respectfully are behavioral goals for all. Expectations are clearly explained in all-school assemblies and in the classroom. Staff provides positive and negative consequences based on student choices and behavior. When students struggle with behavioral issues, the principal, teachers, support staff and families work together to provide additional strategies to support them such as skill-based counseling groups and opportunities for restorative justice. Every effort is made to assist our students in becoming successful and responsible citizens and successful learners.

## Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for both TK and 9-12 are aligned to state standards and approved by the district's board of education.

On September 23, 2025, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #25-22 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2025-26 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home.
