Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and

STUDENT ACHIEVEMENT

Physical Fitness

In the spring of each year, Sheridan Way Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and State results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Physical Fitness Test

% of Students Participating in each of the Five Fitness Components

2024-25

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength & Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5	96%	100%	100%	100%	100%

Note: The administration of the PFT requires only participation results for these five fitness areas.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Sheridan Way Elementary School's original facilities were built in 1950; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. During the 2025-26 school year, the following campus improvements were scheduled to occur:

- Installation of solar panels (anticipated Spring 2026)
- Installation of new innovative playground structure (anticipated Summer 2026)

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two full-time evening custodians are assigned to Sheridan Way Elementary School. The day custodian is responsible for:

- Cafeteria Setup/Cleanup
- Routine Maintenance
- Restrooms

Restrooms are checked frequently throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classrooms
- Computer Lab
- Library
- Restrooms
- Office Areas

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Sheridan Way Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in January 2026.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality.

Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Facilities Inspections

The district's maintenance department inspects Sheridan Way Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Sheridan Way Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on September 16, 2025. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, teachers, support staff and campus safety assistants are strategically assigned to designated entrance areas, the breakfast area and the playground. During recess, the principal, teachers, support staff, and campus safety assistants monitor playground activity. The principal and campus safety assistants monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, support staff and teachers monitor student behavior to ensure a safe and orderly departure.

Sheridan Way Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

CLASSROOM ENVIRONMENT

Discipline & Climate for Learning

Sheridan Way Elementary School's discipline policies are based upon a schoolwide discipline plan and Lesson One, which are used as guides to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. At the beginning of the school year and throughout the year as needed, the principal visits the classrooms and leads an assembly to reinforce the importance of following school rules and making responsible, respectful choices in behavior, and positive behavior expectations are outlined in morning announcements. Sheridan Way Elementary School employs a Positive Behavioral Interventions & Supports (PBIS) framework focused on improving classroom behavior, establishing clear behavior expectations, reducing misbehavior, motivating students to put forth their best effort,

increasing academic engagement, and teaching students to behave respectfully and to value diversity. Sheridan Way has added Lesson One, a program to help reduce suspensions, office referrals and bullying. Sheridan Way uses Restorative Practices including Restorative Circles whenever appropriate.

Supplemental site-based training takes place during faculty, grade level, and department meetings. The principal identifies teacher training needs based upon parent survey results, teacher input, teacher evaluations, and the Healthy Kids Survey. During the 2024-25 school year, Sheridan Way Elementary School's staff development activities concentrated on:

- Establishing a Multi-Tiered System of Supports (MTSS)
- Lesson One Training
- Positive Behavioral Interventions & Supports (PBIS)
- Professional Learning Communities at Work

The district also offers supplemental professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

The Ventura County Teacher Induction Consortium is a two-year, individualized, job-embedded system of mentoring, support and professional learning that begins in the teacher's first year of teaching for newly credentialed teachers in California. The program is accredited by the Commission on Teacher Credentialing (CTC) and is administered by the Ventura County Office of Education (VCOE), Educator Support and Effectiveness (ESE) department, in coordination with a consortium of 18 school districts, local charter schools, private schools, and 5 university partners.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for both TK and 9-12 are aligned to state standards and approved by the district's board of education.

On September 23, 2025, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #25-22 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

During the 2025-26 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.
