Student Leave of Absence

Payment Terms

New Students: Confirmation Payment

A non-refundable payment of **\$5,500** is due within seven (7) days of accepting an admission offer. This confirmation payment secures the place for the student and will be applied to total school fees payable.

Payment of School Fees

For new students, fees are due within thirty (30) days of invoicing. The school may require payment of all school fees at the time of admission, when deemed appropriate due to enrollment limits, waiting lists, or other factors.

For returning students, the re-enrollment fee is due by March 1, 2026 and all other school fees must be paid by June 1. Failure to pay all school fees by the June 1 deadline will result in a late-payment fee and may also result in the student losing the seat for the upcoming school year.

Late-Payment Fees

A late-payment fee of **\$500** will be imposed for all annual school fee payments received after the due date stated on the invoice (**June 1, 2026**) for returning students or thirty (30) days after invoicing for new students. School fee payments made after the stated due date will be accepted only if the admissions office determines that a space is still available for the child.

A late-payment fee of **10%** will be added to Interim Semester payments made after the payment deadline.

Payment Plans

In certain circumstances, a payment plan may be available. Payment plans incur a \$250 fee per child to initiate and administer, and must be renewed annually. Penalties apply for any failed payments, as detailed in the individual plan. Email enquiries to schoolfees@sas.edu.sg.
