

Office of the President

February 3, 2026

Dear Parents,

Welcome to Catholic High School! It is our privilege to begin this partnership with you as your son goes through his high school years. These next few years will go by quickly but know that our goal is to provide an educational experience that will allow your son to become the young man that God has created him to be. We trust that this formative period will equip him with the values, skills, and character that will serve him throughout his lifetime.

Enclosed in this mailing you will find various opportunities for you and your son to actively engage in the vibrant life of Catholic High School. We firmly believe that parents are essential partners with us in successfully pursuing the mission of our school. Do not hesitate to contact me directly or other members of our school leadership if we can be of service to you.

Enclosed in the acceptance packet is a document that outlines the CHS 2026-2027 tuition, the **registration fee for the 2026-2027 school year** and three tuition payment options. These include an annual payment option, an option of two, semi-annual payments and a monthly payment plan. Information about the 2026-2027 Laptop Program is also included. I would like you to be aware that tuition and registration fee payments at CHS are interest free regardless of which payment plan you select. Also be aware that tuition payments throughout each school year include a re-registration fee of \$500 for the following year as part of the tuition payments. There will be no separate registration fee after this initial year.

Again for 2026-2027, FACTS Management Company is handling our tuition payment program. Our goal in working with FACTS is to provide the most secure, convenient and transparent tuition payment options possible to our families. The following are some advantages to parents:

- FACTS provides security. Tuition payments are processed through a secure, electronic funds transfer.
- FACTS provides convenience. Automatic payments can be made from a checking or savings account or through a variety of credit cards.
- FACTS provides transparency and control. You may check your personal online account anytime to view your payment history, schedule your next payment, change between financial accounts, or make a payment online.

During the week of February 23, 2026, FACTS will send an email invitation directly to you by means of the email address you supplied on your son's application to CHS. This email from FACTS will include instructions and a link that you will use to complete the online enrollment in FACTS. When you enroll, you will create your log-in credentials, choose your payment plan and, if you choose the 12-month plan, your payment due date. It takes only a few minutes to complete this enrollment process, and we ask that you complete it by **Friday, March 13, 2026**. Parents who also have an older son attending CHS for 2026-2027 and who have previously set up a CHS FACTS account and tuition payment plan will not need to set up a separate account for the younger student.

The deadline to apply for tuition assistance through FACTS is April 17, 2026. For additional information on tuition and fees or tuition assistance, please refer to the documents included in the acceptance packet.

We are excited to be partners with you in the formation of your son in Gospel values in the tradition of the Brothers of the Sacred Heart. We recognize the trust you have placed in Catholic High School, and we pledge to offer your son a school environment that fosters his holistic growth and development.

Sincerely,

Lisa Harvey
President

Catholic High School has been recognized six times as a National Blue Ribbon School of Excellence by the U.S. Department of Education
