

Black Horse Pike Regional School District is committed to service and excellence and holds all students to high standards. Students enrolled in the Academy Programs are representatives of each Black Horse Pike Regional School District High School, in the classroom and the community. As a result, they are expected to serve as well-rounded, scholastic role models throughout their time in the academies. Exemplary performance, exhibiting leadership, practicing kindness, abiding by the student code of conduct, and a strong work ethic are expected of all Academy students, which places students in a position to serve as role models. This includes communicating on social media.

Academy students are required to sign an Academy Agreement. Below are the expectations by which all Academy members are expected to abide. At any point, students who do not meet the expectations outlined in this agreement will be required to meet with their school counselor, Academy supervisor, and/or school administrator to determine *a plan of action to guide more responsible decisions*. Students *may be placed on probationary status* which will be reviewed quarterly. Academy students who violate Academy probation will be granted a committee review, at which point a decision will be made regarding whether or not they will be *dismissed from the Academy program*.

Code of Conduct: Academy students abide by the Black Horse Pike Regional School District code of conduct. Any Code of Conduct violations involving drugs, weapons, or violence will require an immediate probationary period and consideration for removal from the Academy Program.

Academics: Academy students abide by the Black Horse Pike Regional School District academic integrity code, this includes the unauthorized use of artificial intelligence (AI). Students are required to maintain mid-semester and end-of-semester course grades of 70 and above.

Attendance: Academy students abide by the Black Horse Pike Regional School District attendance policy. School attendance is not to exceed the maximum unexcused absences of 8 days. Academy students are expected to attend all extra-curricular meetings scheduled by the club advisor or teacher. Poor attendance may jeopardize participation in Academy activities like field trips.

I have read the Academy Agreement and will stand by the guidelines. I understand that should I break any part of the agreement, I will meet with my School Counselor, and may be placed on probation, or dismissed from the Academy program.
