

PARENT LOGIN

Getting Started: Dallas ISD
Guardian Login
(Video Guide)

RETURNING PARENT

- 1 If you are a returning parent and already have an account, click **Forgot password**

This will link your current students to your account.
- 2 Enter the email or phone number associated with your account. This is where your password reset instructions will be sent.

Reset >
- 3 A confirmation message with a password reset link will be sent to your email or text message. Click the link that says **Reset Password** to continue.

- 4 Enter your email or phone number to reactivate your account. Then, enter and confirm your new password. Make sure your password meets all security requirements. Once complete, click the green **Reset Password** button.

Reset >
- 5 After logging in, your dashboard will show your linked student. Select your student and click **Add Forms**.

NEW PARENT

- 1 If you are a new parent and don't have an account, click the **Create an account** link at the top of the login box.

Create an account
- 2 You may link your account with **Google or Facebook**, or simply fill out the required fields, choose your communication preferences, create a password, and click **Create Account**.

 
- 3 If you don't have an email address, click **Create a Google email account** to set one up before continuing.
- 4 After signing up, click **Add a Student** to continue. You'll be asked whether your student is currently enrolled and if you have their Student ID.

YES	NO
Enter your student's ID, first Name, last Name, and date of birth , then click Continue to Student Information.	The Student ID fields will disappear. Click Continue to Student Information to begin the application process for a new student.

HOW TO APPLY

Online application for choice programs or student transfers

Step-by-Step Guide:
Dallas ISD Program
Application
(Video Guide)

1

- Go to: choosedallasisd.schoolmint.com
- From your **Welcome Dashboard**, select your student and click **Add Forms**
- Under **Apply to More Schools**, select **Choice Application** then click **Start**

2

Complete the student and parent steps and all the required fields, then select **Save and Continue**.

3

In the **Selected Schools section**, use the filters to narrow down your school options.

- Click **Filter & Sort**, then in the pop-up, choose **All Categories** to see program types.
- Apply your filters and click **Save & Continue** when ready.

You can now view the filtered schools. To select a program, **check the box** next to your desired school and **click Save & Continue** to proceed.

4

- In the **Rank Choices** section, list your school preferences in order.

Choice 1 = your top preference

Choice 2 = your second choice, and so on

*** To make changes, click the "X" next to a school.*

- When finished ranking, click **Save and Continue**.

5

On the **Signature Page**, review your information carefully. To sign, type your name in the **Parent's Signature box** and check the box to use it as your electronic signature.

On the **Review and Send** page, verify all details before submitting. To make edits, **click the pencil icon**. Once everything is correct, click **Submit Application** in the bottom-right corner.

After submitting, return to your **Welcome Dashboard**. Under your student's name, you'll see your submitted applications. **Click View Submitted Forms** to check your application status.
