January 30, 2026

Dear Parent and/or Guardian,

In 1995, the Texas Legislature created the Public Education Grant (PEG) program (TEC §§29.201–29.205), which allows parents whose child attends a PEG-listed campus to request a transfer to another campus within their home district, based on seat availability, or to a campus in another district.

On December 11, 2025, the Texas Education Agency released the 2026–2027 PEG list, which includes campuses that received an overall F rating in 2025. Clift Elementary was identified as a PEG campus based on its 2025 rating. Students zoned to Clift Elementary may remain there for the 2026–2027 school year or request a transfer to one of the WISD campuses listed below. Parents may also request a transfer to another district by contacting that district directly. Transfer options will be based on the student's current campus location, and transportation will not be provided by the district.

Eligible Campuses for Transfer:

- Dunaway Elementary
- Felty Elementary
- Marvin Biomedical Academy
- Jimmie Ray Elementary
- Shackelford Elementary
- Wedgeworth Elementary

To apply for a PEG transfer, parents should complete and submit a PEG Transfer Application. The application and directions for completion can be found on our wisd.org website or at the link below. For more information, please visit Texas Education Agency's website at tea.texas.gov or our website at https://www.wisd.org/departments/assessments-accountability/public-education-grant.

Sincerely,

Stephanie Heimbuch
Assistant Superintendent of Learning
