

TITLE I PART C - Migrant Education Program

What is Title I Part C -Migrant Education Program:

Title I Part C also known as the Migrant Education Program was established to meet the unique educational and social needs of migratory children. The Migrant Education Program is a supplemental program that aims to fill the void of services that are specific to migrant students and their families. The program also aims to help the migrant students achieve challenging academic standards and graduate from high school.

A migratory student is:

- * between 3 and 21 years old
- * one whom has not yet graduated high school
- * one whom has traveled across state or county lines with parents seeking or performing agricultural related work
- * one whom has traveled within the preceding 36-months

Services offered once eligibility is determined:

- * supplemental support and academic services (tutoring, school materials, supplemental academic materials)
- * outreach referral services (food, clothing, medical, vision and dental)
- * opportunities for parent and community involvement
- * college assistance through the Migrant Program at several higher learning institutions

TITLE I PART C - Migrant Education Program

¿Qué es el Título I Parte C - Programa de Educación para Migrantes?

El Título I Parte C, también conocido como el Programa de Educación para Migrantes, se estableció para satisfacer las necesidades educativas y sociales únicas de los niños migrantes. El Programa de Educación para Migrantes es un programa complementario que tiene como objetivo llenar el vacío de servicios que son específicos para los estudiantes migrantes y sus familias. El programa también tiene como objetivo ayudar a los estudiantes migrantes a alcanzar estándares académicos exigentes

Un estudiante migratorio es:

- * entre 3 y 21 años
- * alguien que aún no se ha graduado de la escuela secundaria
- * alguien que ha viajado a través de las fronteras estatales o del condado con padres que buscan o realizar trabajos relacionados con la agricultura
- * alguien que ha viajado en los 36 meses anteriores.

Servicios ofrecidos una vez que se determina la elegibilidad:

- * apoyo complementario y servicios académicos (tutoría, material escolar, materiales académicos complementarios)
- * servicios de referencia de extensión (alimentos, ropa, médicos, oftalmológicos y dentales)
- * oportunidades para la participación de los padres y la comunidad
- * asistencia universitaria a través del Programa Migrante en varios programas de educación superior instituciones
