

Hello GCPS High School Families!

We would like to invite all 9th, 10th and 11th grade students and their families to join us for our **SPRING OPEN HOUSE!** This will take place on **February 10, 2026 from 5:00–7:00 PM.**

Attendees will be able to tour Maxwell's facilities and meet the instructors and staff. Counselors will be on site to answer questions and our computer lab will be open to apply for the 2026–2027 school year.

Maxwell High School of Technology provides half day programs that prepare students to enter the service industry or a post-secondary institution by providing **Career, Technical and Agricultural Education (CTAE)** training, which encompasses valuable academic, technical, and employability skills. Browse our [Program Brochure](#) to learn more about the pathways we offer.

GCPS provides bus transportation from most high schools to Maxwell.

We are located at **990 McElvaney Lane, NW, Lawrenceville, Ga 30044** next to GSMST. Parking spots are limited in our front parking lot so we ask that you please drive to the parking area located behind Maxwell and GSMST.
