KINDERGARTEN ORIENTATION For New Registers

We are very happy that your child will be **starting kindergarten on September 8th** at the Primary Education Center. In order to help your family get ready for kindergarten, we would like to invite you, the parents/guardians, and your child to a Kindergarten Orientation on **May 20th, 2026 from 9:30-11:30 am**. This orientation is intended for **newly registered students** that did not participate in the Lew-Port/YMCA Universal Pre-Kindergarten Program.

To register for the orientation, please call the office at 716-286-7220. You will have the opportunity to sign up for kindergarten screening at the orientation. **Kindergarten screening** will be by appointment on **June 3rd**.

The goal of this orientation will be to support a successful kindergarten transition. You will have an opportunity to meet the principal, social worker, school counselor, nurse, kindergarten team and transportation coordinator to ask questions regarding our kindergarten program. Your child will also get a tour of the school and ride the big bus down "Lancer Lane". On **September 2nd**, your family will have an opportunity to meet with your child's kindergarten teacher during a supply drop-off in the afternoon before the first day of school.

We look forward to meeting you at the orientation!

Respectfully yours,

Mrs. Larson, Principal &
The Kindergarten Team
