SPECIAL EVENTS

An Evening with Galileo | Feb. 12 at 6 p.m.

in collaboration with University Libraries, Special Collections Department

View recently restored 17th century volumes of "Opere di Galileo Galilei," which consist of manuscripts and scientific writings of Italian astronomer Galileo, followed by a presentation by Chair of Special Collections, Michelle Sweetser, and the planetarium show TWO SMALL PIECES OF GLASS.

To individuals with disabilities, please indicate if you need special services, assistance or appropriate modifications to fully participate in these events by contacting Accessibility Services at access@bgsu.edu or 419-372-8495. Please notify us prior to the event.
