Graduation Pathway

- Smarter Balanced Assessments
- ASVAB
- SAT/ACT exams
- AP courses/exams
- Dual Credit Courses (Running Start/CHS/CTE dual credit)
- Bridge to College courses

Future Opportunites

- AP Classes: year long course with final AP exam
- College in the High School: courses that provide dual credit, if a C or better is attained and student signs up
- Running Start: off campus college courses
- Sno-Isle: off campus technical programs
- Intra-District Programs
- World Language Test: up to 4 credits for student fluent in another language

Who Can I Contact?

MS Counselors

- Course Request Support
- Guidance on 9th grade courses
- Any transition questions

HS Counselors

- Counselors will likely not be available for support until your student is enrolled there
- Main Offices
- Counseling Secretaries
- STEM Coordinator and IB Coordinator directly

Who Can I Contact?

My Student has an IEP

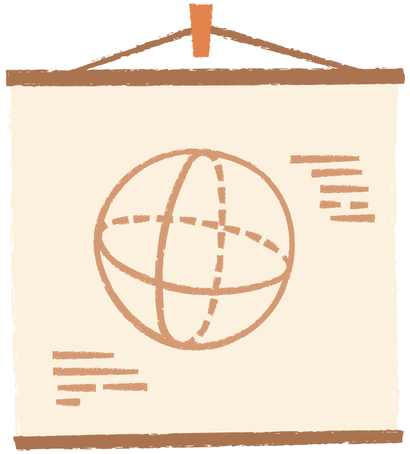

- Your student's IEP will roll up with them and their current case manager can explain what their minutes are
- Your future case manager will review IEPs in August and ensure your student is in the appropriate classes

My student has a 504

- 504 plans also roll up
- The high school coordinator will be in touch in 9th grade to provide the option to meet to edit accommodations to fit the high school building

General Tips

- Make sure your student picks alternates during course requests
- Support your student with getting involved!
- Look into sports and clubs at your assigned high school
- Keep track of your student's Skyward/Canvas.. one test is all it takes!
- Attendance is key to success!

STEM at MTH

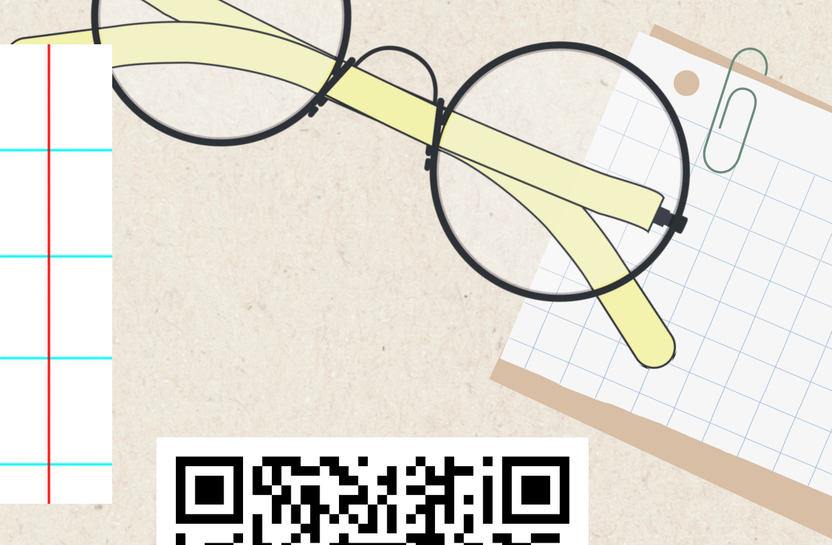

- Four-Year Program with Engineering, Math and Science and all other required HS Classes
- Three Pathways for Students ○ Aerospace ○ Computer Science ○ BioTech
- Strong STEM Clubs/Community ○ After school clubs ○ Community Building events ○ Interaction with local industry
- College Credits and National Recognition ○ Credit Partnerships with UW, Shoreline CC & Edmonds CC

Bennet Norman, STEM Coordinator
normanb986@edmonds.wednet.edu

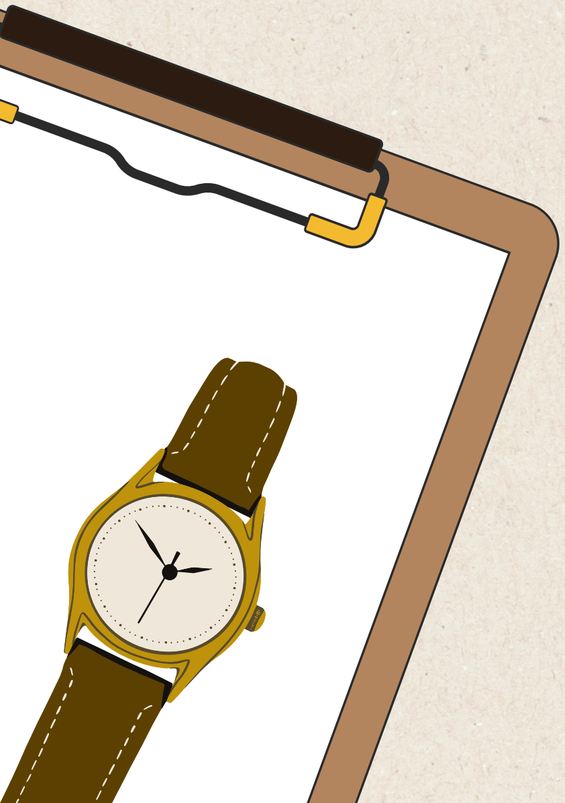

Sample Schedule at MTHS

9th Grade English	10th Grade Humanities
9th Grade World History	10th Grade Humanities
Band	Band
Honors Geometry	Honors Algebra 2
Introduction to Engineering	Chemistry
Honors Biology	STEM class or WL

- A **pre-university course** for students aged 16-19 (juniors & seniors in high school)
- An **academically demanding and balanced** programme

IB at EWHS

- A curriculum made up of the **DP Core and six subject groups** which is studied over 2 years
- **Widely recognized by colleges and universities** around the world as **superior preparation** for students to succeed at post-secondary institutions

Diplomas

ESD/WA State

High School Diploma

IB Diploma

For University Recognition

The IB Diploma is a unique graduation pathway and students do not need to follow the traditional 24 credit pathway to graduation.

- Students must pass all IB Classes and complete all IB Assessments.
- No additional requirements to earn a high school diploma in WA
- This means no PE, CTE, health, etc.
- We DO still recommend students complete a full year of art, even though art is also not required in the IB Diploma pathway

Sample Schedule at EWHS

Grade 9	Grade 10
English Honors 9	English Honors 10
Honors History 9/Elective	History Honors 10
Mathematics	Mathematics
Honors Science (Biology)	Honors Science (Chemistry)
