 - Bistro upgrades
- **Brent and Chavez**
 - Interior upgrades
 - Playground renovations

Additional Project Updates

- **Tennis Courts**
 - Photos shared by Mickey James
 - Project is complete and currently awaiting the **Certificate of Occupancy**

Program Expansion & Facilities Planning (Mike Lamb)

- Shared a high-level overview of completed and ongoing bond projects.

- Noted that the District has accomplished what it set out to do under the bond.
- Discussed plans to expand and improve **CTE and Fine Arts** areas.
 - Theater renovations represent the maximum scope allowed within the bond.
 - A new performance hall would allow for a regulation-sized stage, but funding limitations restricted the project to renovations only.

Second Elementary School Discussion

- Reviewed community information meeting with residents.
- Discussed options for use of District-owned land.
- Approximately **10% of the bond** would be allocated toward potential development of a second elementary campus, depending on future needs.

Enrollment & Growth Projections

- Enrollment decline discussed.
- **Oak Point** identified as an area of projected growth.
- **Paloma Creek** also noted as a growth area.
- District anticipates a “wait-and-see” period over the next **two years** before major decisions are made.
-
