January 29, 2026

Open Enrollment – Intra-district Choice

When can I apply?
Applications for the first, on time window will be accepted from Monday, January 26, 2026 through Friday, February 13, 2026.

How do I know how many seats are available at a school?
The District posts estimated seat availability by school and grade level. These estimates are based on the *Intent to Return* information collected in December, along with classroom space and program needs. While estimates may change, they are provided to help families make informed choices.

What if I already submitted an application and want to make changes?
If you would like to change your selections after reviewing the seat availability estimates, you may submit a new application. Please also contact Martha Vazquez in the Enrollment Office so we know which application you would like us to use.

How are applications reviewed and seats offered?
Applications are reviewed by priority and then through a random lottery process. Seat offers are made as space becomes available.

Which programs are processed first?
The District will first process the Los Primeros lottery, followed by requests for the Dos Caminos Dual Language Immersion Program, and then all remaining choice requests.

What does an interest list mean?
If a class is listed as an *interest list*, seats will only be offered if enough applications are received to form a full class.

Does submitting an application guarantee a seat?
Submitting an application does not guarantee placement. Seat offers depend on availability, program capacity, and the lottery process.

Who can I contact if I have questions?
For questions about applications or changes, families may contact Martha Vazquez in the Enrollment Office at mvazquez@pleasantvalleysd.org or at 805-389-2100 ext. 1109.

School Site	Grade Level	Estimated Number of Seats Available	Additional Notes
Camarillo Heights STEM Academy	TK	40-48	Estimated for two classes
Camarillo Heights STEM Academy	K	0	Estimated for two classes
Camarillo Heights STEM Academy	K	20-24	Interest list if we can build a third kindergarten class
Camarillo Heights STEM Academy	1st grade	0	Estimated for one class
Camarillo Heights STEM Academy	1st grade	20-24	Interest list if we can build a second 1st grade class
Camarillo Heights STEM Academy	2nd grade	Up to 7	Estimated for two classes
Camarillo Heights STEM Academy	3rd grade	Up to 3	Estimated for two classes
Camarillo Heights STEM Academy	4th grade	Up to 20	Estimated for two classes
Camarillo Heights STEM Academy	5th grade	Up to 14	Estimated for two classes

School Site	Grade Level	Estimated Number of Seats Available	Additional Notes
