Welcome to Kindergarten 2026-27!

Kindergarten is a special time when children are introduced to new learning experiences, friendships, and environments. We are excited to have your child start their journey here in Community Consolidated School District 15.

This booklet will answer general questions regarding kindergarten programs offered, enrollment requirements, how to register your child for school, important dates, and links to additional information to start your journey.

We look forward to getting to know your child and watching them learn and explore. **Welcome to CCSD15!**

Kindergarten Programs Offered

Full-Day Kindergarten

CCSD15's Kindergarten program is a full-day model. Students will be fully educated according to CCSD15's traditional core curriculum and programming, preparing children for first grade and beyond. Our full-day program provides time for math and literacy instruction, time for free and purposeful play, and time to build self-esteem, independence, friendships, and trusting relationships with teachers.

District 15 encourages enrollment in full-day kindergarten for all students. For half-day programming, please reach out to your elementary school principal to discuss possible options.

One-Way (Spanish) Dual Language

CCSD15 offers a full-day One-Way (Spanish) Dual Language program for students who are native Spanish speakers and who qualify for language support services. Eligibility is determined via an English proficiency screening.

Students in kindergarten receive 80 percent of their instruction in Spanish and 20 percent of their instruction in English by a certified instructor. For each subsequent year, the percentage of instruction in Spanish is decreased by 10 percent. By third-grade, instruction in the two languages is balanced at 50 percent Spanish and 50 percent English.

This program is held at:

- Gray M. Sanborn
- Kimball Hill
- Lake Louise
- Lincoln
- Virginia Lake
- Willow Bend

Learn more about the District's One-Way (Spanish) Dual Language program at <https://ccsd15.net/SDL>.

Two-Way (Spanish) Dual Language

[Two-Way \(Spanish\) Dual Language](#) is an optional full-day kindergarten program housed at Jane Addams, Kimball Hill, and Winston Campus Elementary Schools.

Students are taught literacy and curriculum in both Spanish and English beginning in kindergarten and continuing through the completion of fifth grade. The goal of the Dual Language program is to develop bilingualism, biliteracy, academic achievement, and cross-cultural competencies for students.

Half of the students are native Spanish speakers and half speak English or another language. Students in kindergarten receive 80 percent of their instruction in Spanish and 20 percent of their instruction in English by a certified instructor. For each subsequent year, the percentage of instruction in Spanish is decreased by 10 percent. By third-grade, instruction in the two languages is balanced at 50 percent Spanish and 50 percent English.

Dual Language 2026 Timeline

- **February 10:** Online Kindergarten registration begins.
- **January 27 at Conyers Learning Academy**
February 4 at Winston Campus
February 12 at Jane Addams
February 26 at Kimball Hill
Interested parents attend an informational meeting about the Spanish Dual Language program.
- **March 14:** Spanish Dual Language program application is due.
- **April 21:** Families notified of Spanish Dual Language program acceptance.
- **May-August:** Spanish Dual Language program placement continues depending upon availability; welcome meeting for families accepted into the program.

If demand exceeds available space, a random student selection process will be implemented. Visit the Two-Way (Spanish) Dual Language website <https://ccsd15.net/SDL> for more information.

How to Enroll Your Child in Kindergarten

To enroll your child in District 15, complete Steps 1-5 on the [Registration](#) webpage by July 15 to receive a classroom assignment. It is very important for families to register as early as possible. The district uses our enrollment numbers to determine staffing at each of our schools.

STEP 1: Determine Eligibility

To enroll in a District 15 school, students must be legal residents of District 15. Proof of residency is required. Use the [Map My School Tool](#) to locate your assigned school.

To be eligible to attend kindergarten, children must turn 5 years old on or before September 1 of the year of enrollment to attend Kindergarten.

STEP 2: Complete Online Registration

Student registration begins February 10, 2026, for the 2026-27 school year. All families will need to register their child(ren) for the 2026-27 school year no later than July 15, 2026, for a student to receive a classroom assignment.

Please visit the Registration website at www.ccsd15.net/registration for step-by-step guides, information, deadlines, tutorials, and links to additional information and assistance to register your child.

STEP 3: Provide Required Documentation to the School

To complete Kindergarten registration, bring these items to your child's school during regular school office hours to complete the registration process:

1. Certified Birth Certificate

Children who are residents of District 15 and turn 5 years old on or before September 1 of the year of enrollment are eligible to attend Kindergarten.

Please bring a certified copy of your child's birth certificate (with seal) or other government document verifying date of birth. An official certificate of every birth should be on file in the locality where the event occurred. These records are filed permanently in a State vital statistics office or in a city, county, or other local office.

To obtain a certified copy of a birth certificate, write or go to the vital statistics office in the State or area where the event occurred, or visit the National Center for Health Statistics (www.cdc.gov/nchs/w2w/index.htm) for information on where to obtain an official birth certificate.

2. Proof of Residency

[Residency \(proof of living situation\) in District 15](#) is required for all incoming Early Childhood students, Kindergarten students, students new to the District, existing families with a lease, and families that are flagged by our third-party residency verification system to complete the registration process.

Providing a copy of a current mortgage or lease is a required step when registering in District 15.

For the 2026-27 school year, in the case of a lease, please note that if the copy of the lease provided expires before August 19, 2026, the family will need to provide an UPDATED lease prior to the start of the school year to remain enrolled for the 2026-27 school year. The lease needs to show that the family lives in District 15's boundaries at the start of the 2026-27 school year.

3. Health Information

[Health, immunization, dental, and eye exams](#) are required for students entering preschool or kindergarten, sixth-grade, and for students who are new to District 15.

- **Health exam** dated within one year of school entry. The Certificate of Child Health Examination form is available online and in the school office. Please submit early to assure your child has met the health requirements and any health issues are planned for in advance of school entry. Submit completed health exams to the home school before the start of school. We accept proof of appointment for those unable to complete the examination prior to the first day of school.
- **Dental exam** dated within 18 months of school entry. The IDPH Dental Examination form is available online and in the school office.
- **Eye exam** dated within one year of school entry. The State of Illinois Eye Examination Report is available online and in the school office.
- **Immunization records.** We accept vaccine documents at any time upon registration. Please submit early to assure your child has met the State of IL vaccine requirements. The month/day/year and correct number of doses at the correct intervals must be verified by a health care provider. This is due before school starts.

It is recommended that families keep a copy of their child's health examination and immunizations for their records.

Parents or guardians who object to examination(s) or immunization(s) on religious grounds are not required to submit their child or wards to either, and must provide

a completed Illinois Certificate of Religious Exemption form signed by the health care provider. Please visit www.ccsd15.net/healthexams for more information.

Per School Board [Policy 7:100, Health, Eye, and Dental Examinations, Immunizations, and Exclusion of Students](#)—Students who are not in compliance with IL student health requirements may be excluded.

4. Home Language Survey

A Home Language Survey is administered to all students newly registering in the district to help us determine if your child is eligible for language support services. Families will be provided with the Home Language Survey in their spoken language.

5. Transfer Form

If applicable, a student transfer form from the previous school attended.

STEP 4: Determine Kindergarten Program

Determine which Kindergarten program is right for your child—Full-day Kindergarten, Half-day Kindergarten, Two-Way Spanish Dual Language Program, or One-Way Spanish Dual Language (for native Spanish speakers).

STEP 5: Pay Student Fees

Kindergarten fees are \$185 per student for the 2026-27 school year. Fees are payable at the time of online registration. Please visit www.ccsd15.net/StudentFees for payment and fee waiver information.

Congratulations—your child is enrolled! What should you do next?

Once your child is enrolled, and the school has accepted your registration, new families will receive information in July on how to set up their PowerSchool parent portal account. PowerSchool allows you to view your child's class schedule, assignments, attendance, grades, fees that are due, and more!

Please visit the [Registration webpage](#) for quick links to more information on:

Tips to Prepare Your Child for School

- Speak positively about school so your child is excited about starting kindergarten and learning new things.
- Encourage your child to express wants or needs and to be a good listener and friend.
- Help your child be more independent with meals, using the bathroom, zipping jackets, and putting on shoes.
- Review transportation routines with your child so they are familiar with how they will get to and from school.
- Practice with your child to learn basic numbers and letters and how to write their first name.
- Make home a place for learning. Designate a spot to do school activities with your child after school.
