## Summer Camp at the Y

Join us for an unforgettable summer filled with fun, adventure, and new friendships! Our diverse range of activities keep campers active and entertained, ensuring that there's never a dull moment.

**TRADITIONAL CAMP:** campers participate in an array of educational and recreational activities that develop social skills, self-confidence, sportsmanship, character, and a healthy lifestyle.

**TEEN OFFERINGS:** campers explore the best of their communities by traveling to local attractions and participating in different community service projects! Teen leaders focus on preparing to become a YMCA Camp Counselor.

**SPECIALTY CAMPS:** we've got camps for just about everything! They build on the core components of Traditional Camp with a focus on engaging activities and themes.

Across the association, join us for STEAM programming like arts and crafts, acting, and mechanics. Love sports or aquatics? Sign up for camps like basketball, soccer, and net sports or learn to swim or be a lifeguard! We have a camp for everyone.

**Don't miss out on the summer of a lifetime!**
