Value of a Canterbury Education

Tuition is more than just a number. At Canterbury, tuition allows us to:

- Attract and retain a world-class faculty and staff
- Provide an advanced academic curriculum
- Create an environment in which each child receives individual support that helps them thrive and succeed with confidence
- Support dynamic programming that allows every artist, athlete, and scholar to find purpose, passion, and meaning

In addition to tuition, families are responsible for student uniform/dress, field trips, technology devices (Grades 5-12 only), purchased lunch (optional), and bus transportation (optional). Families are required to use the Canterbury Blackbaud Tuition Management Payment Plan to pay for tuition and fees. This secure online system allows families to select a payment plan that best suits their financial needs.

Making Canterbury More Affordable: Tuition Assistance Programs

At Canterbury School, we seek to enroll a talented and diverse student body, and we believe the cost of an independent school education shouldn't be a barrier.

Many options are available – including need-based financial assistance and payment plans – to help families cover the cost of tuition. We even have merit-based scholarship opportunities, like the Malone Scholars Program and the Canterbury Academic Veritas (CAV), the Creative Horizon, and the Leadership in Action Scholarships for prospective students entering middle and high school. Financial assistance awards may also be granted through the tax credit scholarship program.

Need-based financial assistance applications are to be completed at the same time as the admission application and will not affect the admissibility of a student; they are considered separately and are held in the strictest of confidence. Financial assistance is awarded only to students who have completed the Admissions Application Process and have been officially accepted.

Financial aid is available beginning in Kindergarten.

EARLY CHILDHOOD ENRICHMENT

Canterbury is committed to supporting families by helping balance school, work, and daily life. Our enrichment programming enhances the Early Childhood half-day experience while offering families the flexibility to build a full-day schedule that meets their needs.

Families may choose from a variety of full-day enrichment options, including:

- Monday–Friday Full Day
- Monday & Tuesday Full Day
- Wednesday, Thursday & Friday Full Day

Enrollment in enrichment programming is completed annually during the spring prior to the upcoming school year. Please note that Canterbury Kids meet on Mondays and Tuesdays, while Cavaliers meet on Wednesdays, Thursdays, and Fridays. Participation in enrichment programming is optional and offered in addition to a student's Early Childhood classroom enrollment.
