

WHAT IS CTE?

Hollywood Hills High School offers a variety of career and technological courses designed to prepare students for the future.

These programs provide hands-on experience and practical skills in fields such as technology, culinary, healthcare, marketing and business. Students can explore courses in carpentry, digital media, culinary arts, and web design, among others.

Whether as an enhancement to a college application or as a pathway to entering the work force right after high school. It is not uncommon for students who complete a career pathway to begin working at a significantly higher wage than those who enter the work force with no job skills.

● Career Dual Enrollment

● SHERIDAN / MCFATTER TECHNICAL COLLEGE

Earn your **high school diploma**, complete a **technical program**, obtain an **industry credential or license**, and **earn college credit** all while in **high school!**

As a **Career Dual Enrolled (CDE)** student, you will share your day between McFatter/Sheridan Technical College and your high school. This means you will be able to complete a State of Florida approved technical program while you are completing high school graduation requirements at Hollywood Hills.

● Vocational Scholarships

● GOLD SEAL VOCATIONAL (GSV) SCHOLAR

The **GSV** can be used to fund a 2 year program for a career education or certificate program at a technical or state college.

● GOLD SEAL CAPE (GSC) SCHOLARSHIP

The **GSC** can be used to fund 2+2 Bachelor's Degree (Bachelor of Science or Applied Science) for a career education or certificate program.

● Student Organizations

- **DIGITAL DESIGN CLUB**
- **CULINARY CLUB**
- **HOSA - FUTURE HEALTH PROFESSIONALS**
