January-February

Classroom News

Greetings and happy New Year! We have started 2026 off with a brand new unit called Animal Adaptations! Please ask your student about what they have been learning about behavioral and structural adaptations of animals! We will be sharing out our project in the future, so keep an eye out for more information soon!

February is Black History Month and I Love to Read Month! We will be celebrating stories from Black and Brown voices throughout the month!

Finally, if you and your family are looking to make any donations to our classrooms we are looking for nut-free snacks. We hope your family has had a nice start to 2026! As always reach out to your child's teacher with questions or concerns!

Valentines Day

We are looking forward to celebrating Valentine's Day on Thursday, February 12th. If your child would like to bring Valentines and/or a treat, please make sure they bring one for everyone in the class and remember treats **must be NUT FREE**. Thank you!
