

Kindergarten Registration
2026-2027 School Year

Dear Parent/Guardian,

- 1) Please complete the attached forms and upload them to the hyperlinks that will be provided to you upon submission of your online pre-registration (STEP 3). Hyperlinks will be sent to the primary email listed in the online pre-registration in two separate emails. Hyperlinks do expire. If you receive notification that a link is expired, please email registrar@motsd.org to request new hyperlinks. Please include your child's full name in the request.

Contact Information: Please be sure that all contact information you enter is correct. The main number is the first number that will be called in case of an emergency and therefore it is important that the number listed is one that will readily be answered. All future changes to your contact information should be updated immediately in the parent portal for emergency purposes.

Email: The first email you list in pre-registration will become your primary email. Important emails and hyperlinks will be mailed to the primary email address. Please list an email that you check regularly to ensure receipt of all email correspondence.

- 2) **KINDERGARTEN SCREENING** will take place **June 1st through June 4th, 2026**. Information regarding sign-ups will be provided to you upon completion of your child's registration.

- 3) **Universal Health Form** –

This form must reflect your child's 5-year checkup or one that has been completed 365 days prior to the start of school (date). **If your child has had a physical on or after 9/3/2025 through the present date, you can ask the physician to complete the form based on that visit.** *If not,* you will need to schedule a physical as soon as possible to be in compliance in submitting the form **prior to the start of school**. We understand insurance companies will only allow for one physical within 365 days. If the appointment is close to the start of school, please inform us and we will make a note for the school nurse.

Your child's health record must be compliant with all required immunizations to start school.

If you do not have a primary care doctor, Zufall clinics offer well care checkups and immunizations for families with or without insurance. There are several locations throughout the area. Families without insurance or with NJ Family Care A plan can reach out to the Mount Olive Health Department to sign up for one of the free health clinics. The number for the Health Department is 862-419-4119.

Immunization requirements:

- ❖ DTap: a total of 4 doses with one of these doses on or after the 4th birthday or any 5 doses.
- ❖ Polio: a total of 3 doses with one of these doses given on or after the 4th birthday or any 4 doses.
- ❖ MMR: (Measles, Mumps, Rubella)
 - Measles: 2 doses of Measles vaccine to enter Kindergarten.
 - Mumps: 1 dose of the mumps vaccine required.
 - Rubella: 1 dose of the rubella vaccine required.
 - ➢ Most children will have 2 MMR vaccines.
- ❖ Varicella (Chickenpox): 1 dose on or after 1st birthday OR laboratory evidence of immunity, physician's statement or parental statement of previous varicella disease is acceptable.
- ❖ Hepatitis B: 3 doses of the Hepatitis B vaccine are required.

Your child must be up to date on all immunizations prior to starting school.

Immunizations can be given at any time throughout the year at the discretion of your healthcare provider. If your child is not due for their next annual physical until after the start of school and their immunization record is not complete; please contact your child's pediatrician's office to schedule an appointment for the missing vaccines now to avoid unnecessary delays starting school.

- 4) Your child's registration is not considered fully complete until the required documents have been uploaded, reviewed and approved by the registrar's office. As this is a high volume time for registrations, we ask that you allow time for review and processing. *You can upload documents at any time and do not need to upload them all at once. We prefer receiving the documents as you complete them.* We will work with you on any missing health documents so that your child does not miss out on Kindergarten screening, orientation, etc. The key is open communication with us.

Reminder: Hyperlinks do expire. If this occurs, please email registrar@motsd.org and fresh hyperlinks will be emailed to you. Please include your child's full name in the request.

- 5) All questions regarding registration should be emailed to registrar@motsd.org

6) **Checklist of required documents:**

Harassment, Intimidation, and Bullying

A. Policy Statement

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Harassment, intimidation, or bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s) or adoptive parent(s), legal guardian(s), foster parent(s), or parent surrogate(s) of a student. Where parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided such parental rights have not been terminated by a court of appropriate jurisdiction.

B. Harassment, Intimidation, and Bullying Definition

"Harassment, intimidation, or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;
2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;
3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's

POLICY

property, or placing a student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or

- b. Has the effect of insulting or demeaning any student or group of students; or
- c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).

"Electronic communication" means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager.

C. Student Expectations

The Board expects students to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the students, parents, school employees, school administrators, school volunteers, and community representatives, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities to help students learn to assume and accept responsibility for their behavior

POLICY

BOARD OF EDUCATION MOUNT OLIVE TOWNSHIP

STUDENTS

and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects that students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, students, instructional staff, student support services staff, school administrators, and school volunteers, as well as community organizations, such as faith-based, health and human service, business and law enforcement, in the development of this Policy. Based on locally determined and accepted core ethical values adopted by the Board, pursuant to N.J.A.C. 6A:16-7.1(a)2, the Board must develop guidelines for student conduct pursuant to N.J.A.C. 6A:16-7.1. These guidelines for student conduct will take into consideration the developmental ages of students, the severity of the offenses and students' histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent must annually provide to students and their parents the rules of the district regarding student conduct. Provisions shall be made for informing parents whose primary language is other than English.

Harassment, Intimidation, and Bullying

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. Students are encouraged to support other students who:

1. Walk away from acts of harassment, intimidation, and bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, and bullying to the designated school staff member.

D. Consequences and Appropriate Remedial Actions

Consequences and Appropriate Remedial Actions - Students

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct. The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by students.

Appropriate remedial action for a student who commits an act of harassment, intimidation, or bullying that takes into account the nature of the behavior; the nature of the student's disability, if any, and to the extent relevant; the developmental age of the student; and the student's history of problem behaviors and performance. The appropriate remedial action may also include a behavioral assessment or evaluation including, but not limited to, a referral to the Child Study Team as appropriate; and supportive interventions and referral services, including those at N.J.A.C. 6A:16-8.

Factors for Determining Consequences - Student Considerations

1. Age, developmental and maturity levels of the parties involved and their relationship to the school district;
2. Degrees of harm;

as set forth in the Board's approved Code of Student Conduct pursuant to N.J.A.C. 6A:16-7.1. The use of negative consequences should occur in conjunction with remediation and not be relied upon as the sole intervention approach.

Remedial measures shall be designed to correct the problem behavior, prevent another occurrence of the problem, protect and provide support for the victim of the act, and take corrective action for documented systemic problems related to harassment, intimidation, or bullying. E. Harassment, Intimidation, and Bullying Reporting Procedure

The Board of Education requires the Principal at each school to be responsible for receiving complaints alleging violations of this Policy. All Board members, school employees, and volunteers and contracted service providers who have contact with students are required to verbally report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with students, also shall submit a report in writing to the Principal within two school days of the verbal report.

The Principal will inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. The Principal shall take into account the circumstances of the incident when providing notification to parents of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense. The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident.

A person may report, verbally or in writing, an act of harassment, intimidation, or bullying committed by an adult or youth against a student anonymously. The Board will not take formal disciplinary action based solely on the anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

POLICY

Harassment, Intimidation, and Bullying

In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, and bullying from a district employee, and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action.

The investigation shall be completed and the written findings submitted to the Principal as soon as possible, but not later than ten school days from the date of the written report of the incident. The Principal shall proceed in accordance with the Code of Student Conduct, as appropriate, based on the investigation findings. The Principal shall submit the report to the Superintendent within two school days of the completion of the investigation and in accordance with the Administrative Procedures Act (N.J.S.A. 52:14B-1 et seq.). A parent may request a hearing before the Board of Education after receiving the written information about the investigation. Any request for such a hearing shall be filed with the Board Secretary no later than

POLICY

sixty calendar days after the written information is provided to the parents. The hearing shall be held within ten business days of the request. The Board of Education shall conduct the hearing in executive session, pursuant to the Open Public Meetings Act (N.J.S.A. 10:4-1 et seq.), to protect the confidentiality of the students. At the hearing, the Board may hear testimony from and consider information provided by the school Anti-Bullying Specialist and others, as appropriate, regarding the incident, the findings from the investigation of the incident, recommendations for consequences or services, and any programs instituted to reduce such incidents, prior to rendering a determination.

At the regularly scheduled Board of Education meeting following its receipt of the Superintendent's report on the results of the investigations to the Board or following a hearing in executive session, the Board shall issue a decision, in writing, to affirm, reject, or modify the Superintendent's decision. The Board's decision may be appealed to the Commissioner of Education, in accordance with N.J.A.C. 6A:3, Controversies and Disputes, no later than ninety days after issuance of the Board of Education's decision.

The Superintendent shall respond to confirmed harassment, intimidation, and bullying, according to the parameters described in this Policy. The range of ways in which school staff will respond shall include an appropriate combination of counseling, support services, intervention services, and other programs. The Board recognizes that some acts of harassment, intimidation, or bullying may be isolated incidents requiring the school officials respond appropriately to the individual(s) committing the acts. Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building, or school district level or by law enforcement officials.

Conflict vs. Bullying

During a conflict, name-calling, threats and other conduct that might look like bullying, can occur. However, a conflict and bullying are very different. During a conflict, students are equally involved in some type of disagreement. Conflict is considered mutual, meaning everyone is more or less evenly involved. Bullying involves one or several students intentionally committing a mean or violent act against another person(s) or group of people (the victims). When bullying occurs, there is no mutual participation in a disagreement; it is one-sided. Conflicts and bullying can interrupt the school day, damage property and cause injuries to the people involved. However, when the behavior involves a conflict, the school will take action based on the schools Code of Student Conduct instead of the ABR.
