Superstars CARE

November 1 – December 17, 2025

Sheridan Elementary School is proud to be participating in its first joint effort Community Service Project. The Junior Beta Club, along with the Student Council, are collecting paper products (plates, cups, napkins, spoons, and forks) to be donated to the Samaritan House of Orangeburg under the theme, "Superstars CARE."

The Samaritan House of Orangeburg provides homeless men, women, and children with access to temporary shelter, hot meals, and stabilization services in an atmosphere that makes them feel at home. Its programs are aimed toward building new foundations for individuals and families as they work to reintegrate the less fortunate into the community. Individuals are accepted into the shelter through three different programs (Emergency, Stabilization, and Extended Programs) that focus on the specialized needs of the person and/or their family.

All items donated can be dropped off to the school or sent to school by your child(ren). Thank you to all who have already made your donation(s). Sheridan APPRECIATES YOU!!!!

Third-Grade Field Study

November 7, 2025

Sheridan's third-grade students, along with their teachers (Ms. Polidore, Ms. Rivers, Ms. Morton, Ms. Bowman, Mrs. Reyes) and chaperones (Ms. Johnson and Mrs. Davis) attended Adventure Farm, located in Barnwell, South Carolina. Students were able to explore the Farm's vibrant pumpkin patch, enjoy scenic hayrides, meet friendly farm animals, race down the potato sack slide, and bounce on the jumbo jumping pillow. The students had lots of fun and enjoyed the experience.

Picture Day

November 7, 2025

Sheridan Elementary students were excited to participate in Picture Day. All students (except 3rd-grade who went on a Field Study) got those smiles ready to create lasting memories through Lifetouch.

American Education Week

American Education Week is being held November 17-21, 2025. It is a week that is set aside and celebrated during the week before Thanksgiving. Relative to this time, we honor and celebrate teams of people who work in our nation's public schools. Gratitude is shown to educators and staff members who work diligently with students to ensure that they realize their full potential and to ensure that all schools are filled with hope, possibilities, and a bright future for tomorrow. At Sheridan Elementary School, we celebrate our esteemed principal (Mrs. Aisha Williams); our assistant principal (Mrs. Wanda Harris); our instructional coaches, teachers, teacher assistants, and all staff members who play a crucial role daily in educating our students.
