Nursing Home Visit

December 6, 2025

Sheridan Elementary students proudly exemplified the Beta Pillar of Service during a heartwarming service project at Jolley Acres Healthcare Center. Members of the Beta Club and the Student Council (accompanied by two sponsors, Mr. Michael Ryant and Ms. Priscilla Garvain) collected and donated thoughtful items, carefully packed care bags for every resident, assisted residents with bingo, engaged in friendly conversations, and performed Christmas songs to bring joy, smiles, and holiday cheer to everyone at the Center.

We proudly salute Sheridan Elementary Beta Club and Student Council for their **compassion, leadership, and dedication** for spreading holiday cheer throughout our community.
