A note from Mr. Chris -- Let the show begin

Dear Parents, Students, and Staff,

Hello,

They trickled in like a nice fall rain this week. Students returned from all four corners of the world after a great relaxing holiday.

International Day is coming very soon. This is one of our biggest family activities. We are looking for a few dedicated families to join the planning team. We need a captain for the Russian, Chinese, and Thai-speaking groups. Please send a note to Mr. Ian at ian-vanwyk@phuket.qsi.org if you want to be a captain. International Day is on February 20. We will have a show, music, food, and fellowship all day.

We rescheduled Beach Cleanup day to happen next Friday, January 16. We have great support from the city. They are giving us free entrance and providing three lifeguards just for us. The kiddos will pick up trash, sort the garbage into buckets for recycling, and reduce. We will have lunch on the beach provided by the school. There are shops available for food and other items. The students can bring a little money to get ice cream or another snack. Remember, this is an opportunity for your children to work with their peers and teaching staff. We appreciate it if you schedule a family beach cleanup together if you want to participate in this type of activity.

The uniform is also expanding, with more options available. We now have a hooded sweatshirt and a cardigan sweater. We will be phasing out the old light blue shirts this fall. In January, we would like to start fresh with all new uniform options. Students will need to purchase a sweatshirt or sweater to stay warm during the day. Students will no longer be permitted to wear non-QSI jackets, hooded sweatshirts, or sweaters. **On January 5th,** only QSI Phuket Hooded Sweatshirts and Sweaters will be allowed during the school day. We have a full stock of sweaters and sweatshirts in the office if you need one.

Please feel free to use this link to book a meeting with me: Book a Meeting With Mr. Chris.

See You Soon,

Chris Fisher

Welcome back

Students are finally back on campus after a three-week winter break, and everyone is settling into the new term. Classes have picked up again, and teachers are helping students return to their routines.

The next break will be the mid-term holiday from **23 to 27 February**, providing some time to rest before the second half of the term begins.

Beach Clean up

On January 16th, the entire QSI School Phuket will go to Layan Beach National Park for Beach Cleanup Day. The event was originally planned for Nov. 28th but was postponed due to weather conditions.

Participation in a beach cleanup allows students to protect the ocean by picking up trash that harms fish, turtles and birds. It also increases understanding of the necessity of environmental protection, raises awareness of the dangers of plastic pollution, and demonstrates how nature can be cared for through collective effort. Working as a team encourages responsibility for keeping the community clean and beautiful.

Sports Day

Sports day is on February 13.

The school will follow a half day schedule with lunch.

Activities will start at 12 noon. The further information will be provided soon.
