

Join Cari as a Verified Service Provider

Cari is the community-powered app where skilled professionals like YOU can earn income doing what you do best — on your own terms. Whether you specialize in plumbing, HVAC, auto repair, massage therapy, cosmetology, or another skilled trade, Cari makes it easy to connect with customers looking for licensed professionals.

Why Join Cari

- No Fees to Join
- Keep 100% of Your Rate — We charge customers, not providers
- Grow Your Business with exposure to a wide customer base
- Set Your Own Pricing & Availability
- Upload Work Samples to show off your skills

» How it works

1. Sign Up on the Cari Crew App or Website

- [Android Download Here](#)
- [iOS Download Here](#)

2. Complete Your Profile

- Upload your Photo ID
- Submit Trade License or Certification
- Add a Bio about your skills and services
- List Job Types you perform and Pricing for each
- Add Photos of Past Work (optional but encouraged)

3. Get Booked Directly Through the App

- Customers message you or book your service
- Use in-app calendar to manage appointments

4. Get Paid Directly

Link your bank account or opt for mailed checks

■ Services in Demand

Let Cari help you turn your skill into sustainable income.

Important: Independent Contractor Status & Liability

By signing up as a service provider on the Cari platform, you acknowledge and agree that you are an independent contractor, not an employee of Cari or the Raphael O. Wheatley Skill Center (ROWSC). You are solely responsible for your own work, safety, tools, insurance, and compliance with all applicable laws.

You agree to indemnify, defend, and hold harmless both Cari and ROWSC, their officers, and employees from any and all claims, damages, or liabilities arising from your actions, your services, or your use of the Cari platform. Cari is not liable for services rendered, and ROWSC is not liable for the platform's operation. This agreement is subject to the full Terms of Service available at CariApp.com/terms, which you must accept to join the platform.
