WEATHERMAN

When groundhogs start popping up to check out the weather, they have good cause to pay close attention: these 6-12 pound rodents need to eat about a third of their weight in vegetation every day. So it doesn't make much sense for them to pop up for good until the green stuff is starting to pop up, too!

VEGETABLE OF THE MONTH

Artichoke

Artichokes are thorny on the outside, but yummy at heart! A good source of fiber, vitamins C and K, folate, and healthful antioxidants, canned artichoke "hearts" are often used in dips, but the leaves are good, too!

eatfit

wanna stay fit?

gotta eat right!

item: chocolate candies

verdict: just this once!

tip:

From a healthy eating standpoint, you know where this is going. But it IS Valentine's Day. Just promise to do something really healthy with your sweetheart next week!
