

JAKOB SEXTON

MEMORIAL SCHOLARSHIP

Jakob would have been part of
ELIDA HIGH SCHOOL
Graduating Class of 2019

Jakob was proud to be an Elida Bulldog! He loved his school and was passionate about wrestling and football. Jakob was in FFA and enjoyed his teachers and classmates. His closest friends referred to themselves as "The Squad" and when they were around it was constant pranks and laughter. Jakob loved to play jokes and could take it as much as he would dish it out! Jakob was a smart, young man, and school came easy for him. Jake's plan was to attend Apollo Career Center in the Welding and Fabrication Program. Not only did he want to make a career out of welding, he was artistic and wanted to use these skills to create things.

Jakob was friends with everyone and would help anyone he could. He was an ear for many and would even give his gently worn items to friends who did not have. He always found a needy student to pass his football cleats and wrestling shoes to. Jake was usually one of the last kids to leave practice and offer a ride home to anyone who needed it. Jakob's gentleness came through also with his love for animals.

Jakob was a hard worker! He was always there to help his friends and family when needed, from helping his grandparents do odd jobs, to working at the Elida Depot. When Jake wasn't at sports commitments, work, or hanging with The Squad, he was playing video games on his beloved Playstation.

Jakob was a very loyal Seattle Seahawks and Ohio State Buckeyes fan. Loyalty was a strong characteristic of Jakob. He was an "old soul". From music, abandoned houses, cars and antiques, he loved to collect things and learn about history. Even the 1979 Ford Bronco Jake had just gotten, he drove it with pride!

If you were blessed to be close to Jakob, you had a friend for life! He was very much loved and is missed terribly.
