THE FOXHOLE FLYER

PRINCIPAL MESSAGE

Hello VOL family!

As we continue to brave the unusually cold weather, it's hard to believe we are nearly halfway through the 3rd marking period. I hope this message finds you and your families warm and well.

It's a busy time here at VOL! STEAM Night is on Wednesday, February 4th from 5:00 to 7:00 pm. Our event in the fall was a rousing success with over a hundred families in attendance! The theme this time around is STEAM Careers and will feature a visit from the VCS Stem bus, Volusia County EMS, food trucks, and much more. Come out and join the fun!

February is National School Counseling Month. I encourage everyone to take a moment to express their gratitude to our wonderful counselors, Ms. Hamlin, and Ms. Little, for their dedication and hard work in supporting our students.

Thank you all for an outstanding start to the second semester! We truly appreciate your partnership and look forward to working with you to ensure your child's success for the remainder of the school year.

Have a great week!

IMPORTANT REMINDERS

- Virtual attendance is recorded based on student progress in their virtual course. If a student is working in their course and on pace, they are marked present. If a student is not working and behind pace, they are marked absent. Please create a weekly schedule to ensure your student completes all assignments each week to avoid unexcused absences.
- Our target completion date for the third quarter is **March 6th**. This allows students the opportunity to complete their assignments, receive teacher feedback, and resubmit for a higher grade prior to grade reporting. This also allows teachers to meet with students for Help Me Sessions, grade all work, and schedule needed DBAs prior to posting report card grades. Students who are on pace earn an extra week of Spring Break. A win-win for all!
