Force Majeure Statement Regarding Tariffs - Quoted prices reflect known costs and best information available at the time of bid. Current and future tariffs have the potential to increase our acquisition costs for these products. While we at Blick Art Materials will do everything in our power to maintain prices as bid or quoted, it is possible resulting orders may require a price adjustment at the time of order placement. In those instances, you will be contacted for authorization before we proceed with the order. Should tariffs continue to increase, we cannot guarantee product shipment of significantly impacted skus. It is our recommendation to place your order as soon as possible to limit potential price adjustments.

We accept "Future Orders". POs placed in advance are held until ship dates specified on orders (within same calendar year). No invoice obligation until delivery. Future orders can: target delivery timing, improve product availability, minimize backorders, and reduce number of invoices.

P-Cards Blick Art Materials accepts P-Cards as a form of payment both at the time of order and upon invoice. There is no convenience fee if the card is billed upon shipment. When P-Cards are applied to invoices, a 3% convenience fee will be applied.
