

Hello Southwest Family,

This is your proud principal, Dr. Richmond, calling with your updates for the week. Here are your announcements for the week of February 1.

I hope that you are warm, safe, and enjoying an amount of snow that we do not get often.

Monday will be a closed snow day with no remote instruction.

We have many important dates to reorganize including finishing interim assessments, sporting competitions, and much more. Therefore, I will send out another weekly connect- ed when the weather and the district decide that we will return to campus.

8th grade families, please be on the lookout for important information coming from Mr. Ehlers as we plan for our Williamsburg, Virginia trip.

Take care of one another, and I will talk to you soon. Have a great night.

Dr. Richmond
