Special Announcement – Girls Flag Football

This season will be the final year that Girls Flag Football is offered as a non-sanctioned sport. Beginning in the 2027 school year, the NJSIAA will officially sanction Girls Flag Football. Matawan Regional High School will continue to offer the Girls Flag Football program once it becomes a sanctioned sport. At that time, student-athletes will be required to choose one sport per season and will not be permitted to participate in both, in accordance with the NJSIAA strenuous sport policy. We are excited for this opportunity for our student-athletes to compete at the state level.

Youth Mental Health First Aid

Your mental health is a major component of your overall health and allows you to function at your best in all areas of your life. With mental health being such an important piece of overall health we would like to share with you an exciting opportunity that will benefit not only you as an individual but your peers and the school community as a whole. NJ4S has an exciting program to offer to our 9th - 11th graders. Interested students will have the opportunity to become Mental Health First Aid facilitators. They will go through a multi session training program that will teach them the specific skills to assist peers with mental health struggles. Students will take these skills learned in training and have an opportunity to assist incoming freshmen with in-class lessons and activities. Attendance Matters!!!

Student Attendance Guidelines

Daily attendance is essential for the academic success and personal development of high school students. Consistent participation enhances understanding of the curriculum, fosters a sense of community, and develops important skills such as punctuality and responsibility.

Students who attend classes regularly are more likely to complete assignments, perform better academically, and build positive relationships with educators. These connections provide valuable support as students navigate their high school experience. Prioritizing daily attendance is crucial for ensuring that every student has the opportunity to thrive and succeed in their educational journey.

MRHS Attendance Policy

- Participation in observance of Veterans Day (N.J.S.A. 18A: 36-13.2)
- The closure of a busing district that prevents a student from having transportation to the school
